Reddit Buy Online:

You Should Quit Reddit Jacob Desforges, 2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit s r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple *You Should Quit Reddit* is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit s flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner

Brunei English Salbrina Sharbawi, David Deterding, Nur Raihan Mohamad, 2024-09-04 This book is a revised and updated edition of the first ever monograph wholly dedicated to the systematic linguistic description of Brunei English Deterding and Salbrina 2013 provided a comprehensive coverage of the history structural properties on the levels of pronunciation grammar discourse and vocabulary and social and educational settings of Brunei English After almost a decade several notable changes have since been observed in the Bruneian variety of English and this second edition chronicles the ongoing narrative of language change and discusses the current trends in the use of Brunei English In addition to presenting a contemporaneous account of English in Brunei this book also incorporates the role of variation within this variety thereby addressing a limitation of the first edition The book also provides a discussion on the impact the rise of English has had in the shaping of the Bruneians sense of self and their interactions between and across social groups Based on the newly acquired data the book re assesses Brunei English s position in the context of Global Englishes

Social Media Freaks Dustin Kidd, 2018-05-15 Social media has been transforming American and global cultural life for over a decade It has flattened the divide between producer and audience found in other forms of culture while also enriching some massive corporations At the core of *Social Media Freaks* is the question Does social media reproduce inequalities or is it a tool for subverting them *Social Media Freaks* presents a virtual ethnography of social media focusing on

issues of identity and inequality along five dimensions race class gender sexuality and disability It presents original and secondary findings while also utilizing social theory to explain the dynamics of social media It teaches readers how to engage social media as a tool for social activism while also examining the limits of social media's value in the quest for social change

Financial Reckoning Day Addison Wiggin, William Bonner, 2023-10-11 An engaging and practical romp through contemporary financial and economic history and what it means for your financial future Economic booms and busts are happening with more frequency Since the turn of the new millennium fortunes have been made and lost at a blistering pace Each boom is like the tension building up before an earthquake Seismologists can detect the build up but they can't necessarily explain why or when the next quake will hit Economic busts can be equally devastating and followed by numerous aftershocks In this entertaining romp through recent economic and financial history best selling author Addison Wiggin traces the primary trends that have led up to rapid economic growth and innovation while keeping an eye on the inevitable downturn The author practices literary economics telling stories about the characters behind the scenes and their motives making this wide ranging book easy to read The current edition has been revised adapted and reimagined enlightening readers about what's happening behind today's top headlines The rise of new financial innovations over the past decade including cryptocurrencies mobile trading platforms and the democratization of financial markets How the policies of the Federal Reserve following the Panic of 08 led an entire generation to become unwitting speculators in stocks bonds real estate and rare commodities What impact new political trends environmental social governance ESG and diversity equity and inclusion DEI have had on managing your own money Ultimately the book helps place current events in the context of identifiable historical trends The book proposes that when you understand what the primary trends are and follow them to their logical conclusion it makes planning for your financial future much easier What will be the role of the US economy in the future as policy makers try to grapple with new competition economic and political from Brazil Russia India China the so called BRICs The author follows the facts the trends and the stories that make up history and parlays them into forecasts for what he sees coming next Ultimately you'll get a review of previous trades and a new Trade of the Decade

The Case for Community in Online Spaces Brooke Dunbar-Treadwell, 2023-08-01 Many believe that our sense of community is dying as the result of our digitized world In this book Brooke Dunbar Treadwell refutes this claim and presents a case that connection is thriving in online spaces as people share stories practice vulnerability and build communities From memes to Reddit to Facebook Dunbar Treadwell offers perspectives that combine relevant scholarship with examples from her research pop culture and society She addresses some of the factors that contribute to disconnection like political division and dehumanization while also painting a picture of a society that desperately desires connection and may not always know how to find it Ultimately this book illustrates how community and connection have changed over time how they are currently alive and well while offering some important practical advice for how readers can consider their own choices in online spaces to
