learning and engagement **Women and Finance in Africa** Tinuade Adekunbi Ojo, 2024-05-09 This volume presents a collection of cases that examine the status of financial inclusion for women across a variety of states in the African continent. The book uses a qualitative research method and presents both primary to secondary data to narrate the impact of gender responsive budgeting on women's empowerment and gender equality in these communities. The chapters present the analysis of the effectiveness of African state approaches and share lessons that different African economies, whether currently booming or struggling, can enhance or implement toward the financial inclusion and gender budgeting response at all structural levels. The main objectives of this volume are to understand different processes for financial inclusion to gender issues at a national level and to help encourage reflection on what lessons could be learned between states and what factors cause divergence in multilateral settings so that they can be understood and addressed. Financial Literacy and Responsible Finance in the FinTech Era John O.S. Wilson, Georgios A. Panos, Chris Adcock, 2021-07-21 A growing body of evidence suggests that financial literacy plays an important role in financial well-being and that differences in financial knowledge acquired early in life can explain a significant part of financial and more general well-being in adult life. Financial technology FinTech is revolutionizing the financial services industry at an unrivalled pace. Views differ regarding the impact that FinTech is likely to have on personal financial planning, well-being and societal welfare. In an era of mounting student debt, increased digital financial inclusion and threats arising from instances of online financial fraud, financial education and enlightened financial advising are appropriate policy interventions that enhance financial and overall well-being. Financial Literacy and Responsible Finance in the FinTech Era: Capabilities and Challenges engages in this important academic and policy agenda by presenting a set of seven chapters emanating from four parallel streams of literature related to financial literacy and responsible finance. The chapters in this book were originally published as a special issue of The European Journal of Finance. Resources in Education, 1981 **Personal Finance for Millennials: A Simple Guide to Big Ideas** Nova Martian, 2025-05-01 Personal Finance for Millennials: A Simple Guide to Big Ideas is an accessible and practical roadmap designed specifically for millennials seeking to master their finances in an ever-changing world.
