**Cass R. Sunstein** Un excelente antidoto contra las formas más peligrosas de golpe económico Duflo y Banerjee escriben maravillosamente y tienen pleno dominio de su tema Quiz su mayor contribución consiste en mostrar tanto ideas brillantes que la economía convencional nos ofrece como sus límites y que un internacionalismo progresista tiene el deber de trascender

Grieger, 2015-04-08 Americans are being lied to We are lied to by our government misled by the entertainment media indoctrinated by our educational institutions defrauded by our banking institutions and subjugated by our employers Nevertheless we willingly grant these institutions power over nearly every aspect of our lives and we even admire and assist those who are exploiting us What is the purpose of the lies To con each and every one of us out of our property rights and to coerce us into consenting to our own fleecing while venerating and revering the thieves This is true no matter if one is truly poor or one is a member of the upper middle class It doesnt matter if you are black white Latino Asian straight gay lesbian Democrat Republican employee manager small business owner or greyhound dog No matter how you earn your living all those in the middle class have one thing in common Like the greyhounds in a dog race we have all been duped into pursuing an illusion a goal that has been held in front of us as The American Dream a goal that has been deliberately rendered unattainable This is because the act itself of chasing the rabbit is what enriches those few who benefit from our daily economic activity Making the rabbit uncatchable ensures that we can never stop running after it If youre a parent who cares about your childrens future if youre elderly and burdened with constant worry about surviving on a fixed income from social security if youre a small business owner drowning in the quicksand of onerous taxes and crippling regulation if youre a college student or recent graduate crippled with student loan debt struggling or even unable to find a decent paying job or if youre simply fed up with government lies and propaganda touting false hope and change for greater economic prosperity financial security and opportunity all of which remain perpetually out of reach within these pages you will learn what you can do about it
