Taxes and Exchange Rates in the EU J. Lorie, 2006-09-22 This book looks at concerns in the EU about differences in company tax rates exchange rate changes and inflation differentials building an analytical model which includes the finance decision of firms particularly those decisions which have a strong tax component **Taxation and Labour Supply** C. V. Brown, 2018-12-07 First published in 1981 This book reports on a decade of research into the effects of taxation on the supply of labour In addition to their work in making labour supply estimates the study explores a number of the ways labour supply estimates can be used When budget constraints are non linear it is not possible to estimate the effects of tax or other policy changes from knowledge of labour supply elasticities alone and it is necessary to re estimate the original model used to derive the estimates The implications of labour supply estimates for the study of inequality and optimal taxation are considered Macro economic models of the economy typically omit labour supply functions or include functions which are inconsistent with micro economic work on labour supply This book will appeal to academic economists senior students and policy makers in the field of public finance and labour economics who will find much of interest from both the theoretical and policy standpoints **The Politics of Public Budgeting** Irene S. Rubin, 2019-01-21 Using a power struggles theme to examine the dynamics of budgeting The Politics of Public Budgeting shines a bright light on the political jockeying between interest groups parties officials policymakers and the public Bestselling author Irene S Rubin explains budgeting changes over time by setting issues like the federal deficit and health care expenditures in political and comparative context The Ninth Edition offers students recent examples of public budgeting from all levels of government emphasizing the relationship among them Analyzing each strand of the decision making process Rubin shows the extraordinary coordination involved in passing a budget and achieving accountability **Hearings, Reports and Prints of the Senate Committee on Finance** United States.
