Teacher Education Andrzej Cirocki, Mark Wyatt, Xuesong (Andy) Gao, 2024-06-26 This textbook provides insights from Asian contexts into how reflective practice is nurtured on Teaching English to Speakers of Other Languages TESOL and English Language Teaching ELT teacher education programmes There is increasing recognition worldwide that given the centrality of reflective practice to teachers ongoing professional development supporting teachers to become reflective practitioners should be integral to teacher education programmes Consequently tertiary level courses in areas such as TESOL and ELT tend to promote reflective practice supported by theoretical input from the burgeoning literature on reflection much of which is produced in the West Relatively under represented in the literature are global perspectives on reflective practice there are consequently relatively few accounts as to how reflective practice is embedded in teacher education programmes in different parts of the world including Asia Hence this book addresses a gap Contributing authors from fourteen countries provide insights into the ways in which teachers are helped to grow as reflective practitioners on their teacher education programmes in their unique contexts This textbook showcases how reflective teaching practices are developed supported by frameworks for critical reflection and in interaction with local educational policies These distinctive accounts aid readers in reflecting on the ways in which reflective practice is supported in their own teacher education contexts and in considering ways of enhancing the reflective dimension of their programmes This textbook showcases innovative reflective activities and can be used as a principal text or as supplemental reading on a range of TESOL and ELT teacher education courses

Reading Randomised Controlled Trials Robert Savage, Amy Fox, Anne Dawson, Helen Gray, Clare Huxley, 2025-03-03 In early 2021/22 the Flexible Phonics reading intervention a large scale randomised controlled trial took place in 118 schools in England and involved nearly 3 000 children This study aimed to provide valuable insights into the success of largely school based education trials The Flexible Phonics trial proved to be not only an important experiment in improving children's literacy but a case study in which the methodology of single randomised controlled trials in education can be considered Reading Randomised Controlled Trials investigates the complexities of conducting randomised controlled trials in the field of education and how they can be seen as a cultural activity The book emphasises the human operations decision making and actions that drive such trials which are often overlooked in published reports Through the case study of Flexible Phonics the book highlights the key differences between scaled educational trials and other types of trials such as pharmaceutical trials The additional focus on early childhood literacy is of significant educational importance particularly in the context of UK school partial closures in 2020 and 2021 during the Covid 19 pandemic Reading Randomised Controlled Trials is ultimately a unique resource on the implementation of randomised controlled trials in authentic school contexts and for the sustained improvement of practice in education

Video Reflection in Literacy Teacher Education and

Development Evan Ortlieb, Mary B. McVee, Lynn E. Shanahan, 2015-05-06 Within education there is a growing body of research focused on the use of video as a mediational tool for reflection. The purpose of this volume is to bring together research and research based practices from a wide array of literacy scholars and practitioners who are using video in educational research and teaching. *Critical Practice in P-12 Education: Transformative Teaching and Learning* Lawrence, Salika A., 2014-01-31 This book presents a framework for teaching that empowers students, fosters literacy development and explains the underlying factors that influence pedagogy, highlighting practices from around the globe. *The ERIC Review*, 2000 Provides information on programs, research, publications and services of ERIC as well as critical and current education information. [This Is How We Teach Reading...And It's Working!](#) Heather Willms, Giacinta Alberti, 2022-08-18 A week by week step by step instructional guide. This timely book offers a clear and structured method for integrating explicit phonics instruction into K-3 classrooms. An essential guide for teaching reading, the book is grounded in the cutting edge evidence based science of reading. It provides a flexible and effective step by step progression that covers the essential phonics skills that teachers have been asking for and addresses the needs of busy, diverse classrooms. This blueprint to effective instruction explores screening, assessment and intervention as well as working with English language learners. Tools for implementation include high impact activities, lesson templates, word lists, phoneme grapheme grids, word ladders and more. [Lessons in School Improvement from Sub-Saharan Africa](#) Miriam Mason, David Galloway, 2021-12-13 Lessons in School Improvement from Sub-Saharan Africa describes the planning, delivery and evaluation of an improvement programme by EducAid. The evaluation showed that children in schools whose teachers had taken part in the programme made more progress in literacy attendance and behaviour than children in control schools. Stages of Literacy

Development Lin Carver, 2023-01-30 This book provides the theory behind integration of reading and writing throughout the stages of literacy development, PK-12. It explores strategies and resources for supporting others as they provide literacy instruction. Teachers, literacy coaches and district leaders will be a particular focus of the book as they need to be prepared to help their faculty integrate reading and writing in their institutions. Each chapter begins with a scenario or example from K-12 to flesh out the ideas presented in the chapter. Followed by an anticipation guide, the chapter delves into the learner characteristics, various genres, text characteristics and major concepts encountered during each stage of development. This theoretical background is followed by five examples of stage appropriate genre illustrating strategies for integrating reading and writing instruction. The chapter concludes with activities readers could engage in to deepen their understanding of the concepts presented. **Media Review Digest** C Edward Wall, 2005-08
