Sounds Like Love Ashley Poston, 2025-06-17 A hitmaking songwriter and a bitter musician share a startling and inexplicable connection that they'll do anything to shake in the next sparkling magical book from the New York Times bestselling author of *The Seven Year Slip* and *A Novel Love Story* Named a Most Anticipated book of Summer 2025 by The New York Times People USA Today Marie Claire E News Brit Co Yahoo Life She Reads and more Joni Lark has a secret She's one of the most coveted songwriters in LA and yet she can't write There's an emptiness inside her and nothing seems to fill it When she returns to her hometown of Vienna Shores North Carolina she hopes that the sand the surf and the concerts at The Revelry her family's music venue will spark inspiration But when Joni gets there nothing is how she left it Her best friend is hiding something her mother's memories are fading fast and The Revelry is closing How can Joni write when her world is leaving her behind Until she hears it A melody in her head lyricless and half formed and an alluring and addictive voice to go with it belonging apparently to a wry musician with an emptiness of his own Surely he's a figment of Joni's overworked imagination Then a very real man shows up in Vienna Shores He's arrogant and guarded nothing like the sweet funny voice in Joni's head and he has a plan for breaking their inconvenient telepathic connection finish the song haunting them both and hope they don't risk their hearts or their secrets in the process Because that melody the one drawing them together what if it's there for a reason

Hopes and Fears Bromleigh McCleneghan, Lee Hull Moses, 2012-10-22 Bromleigh McCleneghan and Lee Hull Moses have written a book about being not perfect parents in a not perfect world The result *Hopes and Fears* Everyday Theology for New Parents and Other Tired Anxious People is a joyous celebration of child rearing in which any parent no matter how perfect can share I want to have a happy and healthy marriage and I want to have happy faithful kids proclaims co author McCleneghan in the introduction to the book But I reject the pervasive cultural lie that a happy marriage and the faithful kids are somehow the byproducts of some rigorous and largely unattainable personal or moral perfection Thus *Hopes and Fears* is neither a how to book nor a mere meditation Rather the authors seek to find the beautiful and the spiritual in the sometimes mundane activities that parents have performed since the beginning of history while at the same time allowing beautiful and spiritual insights of the past to inform and shape the activities of modern parenting Thus the words of a hymn can trigger an idea about how to deal with bedtime and an exercise in baby naming can lead to a better understanding of a passage in Isaiah The intertwining of the spiritual and familial in this book constantly surprises and delights a quote from Paul Tillich can stand next to one from Tina Fey or What to Expect When You're Expecting We are often reminded that the authors two longtime friends are ordinary working mothers Fortunately they are

also experienced and well read congregational leaders and they bring that perspective to their reflections Hopes and Fears is also about sharing in the widest and deepest sense of that word As many parents know learning to share is one of the most difficult things for many children to acquire McCleneghan and Moses have decided to teach by example with this book noting we re hopeful that as we share our lives the trials and tribulations and incredible joys other parents will feel inspired to reflect on their own experiences and perhaps even to consider new ways in which their own faith is relevant to their identities as parents Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is highly suitable for group study as well as individual reflection **Pelé: His Life and Times - Revised & Updated** Harry

Harris,2018-05-10 A bestseller in both the UK and the USA on its first publication this book was the first fully authorised life of world s greatest living footballer With exclusive access to Pel award winning sports writer Harry Harris charts his meteoric rise from humble beginnings in Brazil to his first international at the age of sixteen Superb athleticism speed of thought and execution and astonishing ball control helped him become the only player to have appeared in three World Cup winning sides and to have scored more than 1 200 goals in his senior career a feat that is now unlikely ever to be equalled let alone surpassed Pel remains the best footballer of all time despite the extraordinary exploits of Cristiano Ronaldo Lionel Messi Neymar and legends such as Diego Maradona and Johan Cruyff Now revised and updated to bring the story completely up to date this is a tribute to a world class sporting hero a great sportsman and to this day an inspiration to millions **RIP**

[Rest In Peace), a CUL8R Time Travel Mystery/Romance Bob Kat,2014-02-21 You don t have to believe in ghosts until you meet one Once again Kelly Scott Austin and Zoey are listening to the Spirit Radio when they hear a cry for help from a mother whose four year old daughter Emma went missing in the middle of a busy lobby at the infamous Stanley Hotel But time traveling back to 1911 is a lot more complicated than the three trips they had taken earlier in the summer They have to find appropriate clothes and figure out a way to pay for their stay When they hear about a tragic fire that hurt several hotel employees the teens take advantage of the hotel s desperation and get jobs working as lady s maids and houseboys so they can keep an eye on Emma and her family Even though they know that The Stanley Hotel is possibly the most haunted place in the U S the four teenagers are a little creeped out when they hear ghostly children running in the halls singing songs and even a mysterious ball that keeps showing up in their room How could a hotel that is only two years old already be haunted Most importantly how can they stop Emma from becoming one of the ghosts that are trapped inside the luxurious hotel Midway through their first summer together they celebrate the Fourth of July twice in one year As they try to figure out the mystery of Emma s disappearance they bump in some famous people and experience several historical events But ultimately it s their trust in each other and the friendship that has been forged by two unique experiences no one else on the planet has ever done talk with dead people and time travel to the past Their first trip back to 1966 had stopped the murder of a teenager from their school Their next trip to 1980 had tested their courage as they were brought face to face with a man who

was determined to murder an entire family Their last trip to 1927 had saved the life of a handsome young man who had run away to a traveling circus Zoey the former mean girl of South Beach High School suffered her first heartbreak by falling in love with a man from the wrong century Back in 1911 there are no TV news crawlers or Amber Alerts like we see along the interstate highways today Instead Kelly Scott Austin and Zoey must try to be in the right place at the right time to stop the tragedy of Emma's disappearance from happening They follow her and her family around while enjoying life among the rich and famous They arrive as skeptics but leave as believers when all four teens have ghostly encounters Kelly and Austin grow closer as they share fireworks shows first on the sand in Fort Myers Beach and second on a blanket in the Rocky Mountains But is their romance doomed almost as soon as it began When their plans go wrong they face their first defeat The same danger that takes Emma now threatens the teens when one of their own is captured in a killer's web Will they be able to save Emma Or will they join her as permanent guests in the ghostly halls of The Stanley Hotel *Fantasyland* D.J.
