Betty Kaklamanidou, 2016-10-20 With strict guidelines on methodology and time frame films produced after September 2001 and a socio semiotic theoretical framework Betty Kaklamanidou unpacks the problematic terms and ideas that go along with defining a new genre Kaklamanidou considers a different sub genre per chapter placing each group of films in their socio historical context to reach conclusions about the production of political films in millennial Hollywood In shifting the terms of the debate *The Disguised Political Film in Contemporary Hollywood* offers a fresh new approach to the subject of the political film The political film is not a clearly delineated object but rather an elusive one and resistant to clear boundaries So what is a political film Can *The Hunger Games* 2012 belong to the same category as *Lincoln* 2012 Is *Jarhead* 2005 a political movie simply because it is set during the Gulf War but with no reference to the motives of the conflict and or American and Arab relations and thus in the same group of war films such as *The Three Kings* 1999 another narrative that focuses on the same military conflict but includes direct commentary to governmental and military strategies Are historical films by definition political since the majority deals with significant events and or people in a specific socio cultural landscape **Historical Dictionary of Australian and New Zealand Cinema** Errol Vieth, Albert Moran, 2005-10-25 This book is an introduction and guide to the film of Australia and New Zealand It contains entries on many exceptional producers directors writers and actors as well as films But it also presents the early pioneers the cinemas themselves the film companies and government bodies and much more in its hundreds of cross referenced dictionary entries Through a chronology that shows how far these cinemas have come in a short time and an introduction that presents them more broadly a clear portrait of the two countries motion pictures emerge The bibliography is an excellent source for further reading **Focus On: 100 Most Popular American 3D Films** Wikipedia contributors, **Focus On: 100 Most Popular New Line Cinema Films** Wikipedia contributors, **Theatre Management** Anthony Rhine, 2017-12-21 An essential introductory textbook that provides a comprehensive and student friendly overview of the key processes involved in developing and managing a theatre in the 21st century It covers a complete range of topics fundamental to successful commercial and not for profit theatre management from developing a mission statement to communicating with stakeholders from marketing and promotion to fund development platforms and from governance structures to community engagement With over two decades of experience in the industry Anthony Rhine encourages a critical understanding of theatre management rather than simply giving students the facts and theories to memorise he shows readers how to think like theatre managers giving them the skills needed to be able to carve out their own career paths Far reaching and globally applicable the text serves as an invaluable guide for aspiring theatre managers as well as undergraduate and postgraduate students on theatre management arts management creative industries and theatre and performance studies degree courses **Focus On: 100 Most Popular American Romantic Drama Films** Wikipedia contributors, **In Theaters Everywhere** Brian Hannan, 2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where
