On Video Games Soraya Murray, 2017-10-30 Today over half of all American households own a dedicated game console and gaming industry profits trump those of the film industry worldwide In this book Soraya Murray moves past the technical discussions of games and offers a fresh and incisive look at their cultural dimensions She critically explores blockbusters like *The Last of Us* *Metal Gear Solid* *Spec Ops* *The Line* *Tomb Raider* and *Assassin's Creed* to show how they are deeply entangled with American ideological positions and contemporary political cultural and economic conflicts As quintessential forms of visual material in the twenty first century mainstream games both mirror and spur larger societal fears hopes and dreams and even address complex struggles for recognition This book examines both their elaborately constructed characters and densely layered worlds whose social and environmental landscapes reflect ideas about gender race globalisation and urban life In this emerging field of study Murray provides novel theoretical approaches to discussing games and playable media as culture Demonstrating that games are at the frontline of power relations she reimagines how we see them and more importantly how we understand them

Awaken Your Genius Ozan Varol, 2023-04-11 A WALL STREET JOURNAL BESTSELLER Unlock your originality and unleash your unique talents with this simple guide from the acclaimed author of *Think Like a Rocket Scientist* We say some people march to the beat of a different drummer But implicit in this cliché is that the rest of us march to the same beat We sleepwalk through life find ourselves on well worn paths that were never ours to walk and become a silent extra in someone else's story Extraordinary people carve their own paths as leaders and creators They think and act with genuine independence They stand out from the crowd because they embody their own shape and color We call these people geniuses as if they're another breed But genius isn't for a special few It can be cultivated This book will show you how You'll learn how to discard what no longer serves you and discover your first principles the qualities that make up your genius You'll be equipped to escape your intellectual prisons and generate original insights from your own depths You'll discover how to look where others don't look and see what others don't see You'll give birth to your genius the universe denter you were meant to be

Maxability Jeanne Hess, 2022-12-23 MaxAbility is a layered blend of people stories philosophies and raw personal experiences that takes the reader on a journey into the existential questions posed by Max of who are you and what are you here for A young man with dreams a family's grief over a lost child a story of international adoption a tribute to a revered baseball announcer and the author's own journey into becoming a person separate from the roles she played all help the reader incorporate the narrative into their own life Reflection question are posed throughout the book similar to the format of Jeanne's first book *Sportuality Finding Joy in the Games*
