Susan White

Head of Customer Experience

Charter CARE Health Partners

7 Waterman Ave

North Providence, RI 02911

Dear Susan,

As someone who recognizes Charter CARE Health Partners as the premier Health and Human Service Agency in the East Bay, I was thrilled to see an opening for a Medical Receptionist position with your company. With my 5+ years of experience as a receptionist, I am confident in my ability to provide accurate and timely communication to patients and visitors in a courteous and respectful manner for Charter CARE Health Partners.

In the job listing, you state that you're looking for a skilled receptionist to be responsible for warmly greeting clients upon arrival, creating an inviting reception area, and entering data into your record system. In my current position with Lifespan, I ran the front desk of a 10 person primary care office and acted as a liaison between physician and patient walk-ins requiring immediate appointments. I also created an automated system to update how we schedule appointments and transportation for patients. My automation process cut down on missed visits and overbooking by 40%. I'm sure this experience will result in similar results for Charter CARE Health Partners.

I am impressed with the quality of the care you provide your patients and the atmosphere you create in your offices. Being part of your team and continuing to help with this mission would be a dream opportunity for my career development.

Can we schedule a meeting or a call to discuss solutions for optimizing reception processes at Charter CARE Health Partners while retaining your client satisfaction metrics?

Thank you,

Jason V. Cross

The Intimidation Game Kimberley Strassel,2016-06-21 From Kim Strassel one of the preeminent political columnists writing today and member of the Wall Street Journal editorial board comes an insightful alarming look at how the Left once the champion of civil liberties is today orchestrating a coordinated campaign to bully Americans out of free speech For nearly 40 years Washington and much of the American public have held up disclosure and campaign finance laws as ideals and the path to cleaner and freer elections This book will show through first hand accounts how both have been hijacked by the Left as weapons against free speech and free association becoming the most powerful tools of those intent on silencing their political opposition The Intimidation Game provides a chilling expose of political scare tactics and overreach including How Citizens United set off a wave of liberal harassment against conservative politicians The targeting of Tea Party groups by the IRS How Wisconsin prosecutors state AGs and a Democratic Congress shut down political activists and businesses The politicization by the Obama administration of a host of government agencies including the FEC FCC and the SEC The Intimidation Game will shine a much needed light on how liberal governance and the Democratic machine bullies the political process
