Storm Chaser Lindsey Duga, 2022-10-31 Chasing dangerous storms is in Marley Pascal's blood For her it's an obsession a need to confront the powerful destructive forces that killed her parents But the storm she and her brother track down seems to violate the very laws of nature with lightning that strikes as if from another world In its crater Marley finds a small purple crystal with a terrifying energy that hits her like a bolt to the chest when she picks it up Suddenly it's like the electricity pulses through her blood a charge she can't control Which is exactly when he comes looking for her the ridiculously hot boy whose eyes spark and crackle with the same force that now resides in her body And he smells

like summer rain But what s inside Marley isn t meant for her or for any human It belongs to him To his kind As long as this force stays in her body she s a living target A weapon meant to protect or destroy Because now she is the storm **Popular Science** ,1973-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *Popular Science* ,1991-08 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Science Fiction, Fantasy and Horror Film Sequels, Series and Remakes** Kim R.
