These same skills are also vital for becoming a strong student. This book gives you advice and strategies along with real-life examples on how to improve the skills that guarantee success at school work and in life. More than that, by mastering these easy-to-learn skills, you will also have the time to enjoy all the other benefits that a university education provides. This practical guide is meant for university, college, and high school students, as well as instructors, guidance counsellors, and parents. In answering many of the questions that students and recent graduates have about succeeding in their courses and in their post-school careers, this book shows that the path from university to the real world can be straightforward and exciting if you know what you are doing. *The Scenic Charge Artist's Toolkit* Jennifer Rose Ivey, 2021-12-29 *The Scenic Charge Artist's Toolkit* is a comprehensive guide to managing a theatrical paint shop.
