ENTERTAINMENT WEEKLY The Ultimate Guide to Stephen King The Editors of Entertainment Weekly, 2017-09-01 Includes an exclusive excerpt from *Sleeping Beauties* the new novel by Stephen King and Owen King There are few writers today who have influenced popular culture more than Stephen King from his iconic novels and stories to the movies that have been inspired by them including *Carrie* *The Shining* *Misery* *Stand By Me* *It* *Cujo* *The Green Mile* *The Shawshank Redemption* and so many more Now in this all new special edition from Entertainment Weekly *The Ultimate Guide to Stephen King* you ll be able to delve into the world of the master storyteller Go behind the scenes to find out exactly how King s stories travel from page to screen We list his greatest and scariest hits and his 25 scariest moments from his movies and we examine his many compelling heroines and why so many of his novels feature nasty women Additionally we list all of the works the godfather of horror has written as well as the notable movies and television shows derived from his short fiction Lavishly illustrated with art by Robert Sammelin and filled with photos from his life his movies and his book covers *The Ultimate Guide to Stephen King* is a must have for every fan of this beloved writer *The People Have Spoken (and They Are Wrong)* David Harsanyi, 2014-03-10 Democracy may be one of the most admired ideas ever concocted but what if it s also one of the most harebrained After many years of writing about democracy for a living David Harsanyi has concluded that it s the most overrated overused and misunderstood idea in political life The less we have of it the better Democracy is not synonymous with freedom It is not the opposite of tyranny In fact the Founding Fathers knew that democracy can lead to tyranny That s why they built so many safeguards against it into the Constitution Democracy Harsanyi argues has made our government irrational irresponsible and invasive It has left the American people with only two options domination by the majority or a government that can t possibly work The modern age has imbued democracy with the mystique of infallibility But Harsanyi reminds us that the vast majority of political philosophers including the founders have thought that responsible limited government based on direct majority rule over a large let alone continental scale was a practical impossibility In *The People Have Spoken* you ll learn Why the Framers of our Constitution were intent on establishing a republic not a democracy How democracy undermines self government How shockingly out of touch with reality most voters really are Why democracy is an

economic wrecking ball and an invitation to a politics of envy and corruption How the great political philosophers from Plato and Aristotle to Burke and Tocqueville predicted with uncanny accuracy that democracy could lead to tyranny Harsanyi warns that if we don't recover the Founders republican vision democracy might very well spell the end of American liberty and prosperity
