White Feminism Koa Beck, 2021-01-07 Koa Beck writes with passion and insight about the knotted history of racism within women's movements and feminist culture past and present. Curious, rigorous and ultimately generous, *White Feminism* is a pleasure and an education. Rebecca Traister, New York Times bestselling author of *Good and Mad*, Intellectually smart and emotionally intelligent, Beck brilliantly articulates how feminism has failed women of colour and non-binary people. She illuminates the broad landscapes of systemic oppression and demands that white feminism evolve lest it continue to be as oppressive as the patriarchy. Patrisse Khan Cullors, cofounder of Black Lives Matter, author of *When They Call You a Terrorist* and joint recipient of the Sydney Peace Prize. Don't judge this book by its cover. Koa Beck knows that feminism includes all women and girls by definition and is writing to overcome anti-feminist divisions that divide and defeat us. Gloria Steinem. A timely and impassioned exploration of how our society has commodified feminism and continues to systemically shut out women of colour. Join the important conversation about race, empowerment and inclusion with this powerful new feminist classic and rousing call for change. Koa Beck, writer and former editor in chief of *Jezebel*, boldly examines the history of feminism from the true mission of the suffragettes to the rise of corporate feminism with clear-eyed scrutiny and meticulous detail. She also examines overlooked communities including Native American, Muslim, transgender and more, and their difficult and ongoing struggles for social change. In these pages, she meticulously documents how elitism and racial prejudice has driven the narrative of feminist discourse. She blends pop culture, primary historical research and first-hand storytelling to show us how we have shut women out of the movement and what we can do to change things for a new generation. Combining a scholar's understanding with hard data and razor-sharp cultural commentary, *White Feminism* is a witty, intelligent and profoundly eye-opening book that will challenge long-accepted conventions and completely upend the way we understand the struggle for women's equality.

The Mother of All Booklists William Patrick Martin, 2014-12-24 *The Mother of All Booklists* The 500 Most Recommended Nonfiction Reads for Ages 3 to 103 is written for parents, grandparents and teachers unfamiliar with the bewildering array of award and recommended reading lists. This book is a long-overdue composite of all the major booklists. It brings together over 100 of the most influential book awards and reading lists from leading magazines, newspapers, reference books, schools, libraries, parenting organizations and professional groups from across the country. *The Mother of All Booklists* is to reading books what the website Rotten Tomatoes is to watching movies: the ultimate one-stop synthesizing resource for finding out what is best. *Mother* is not the opinion of one book critic but the aggregate opinion of an army of critics. Organized into five age-group lists, each with one hundred books: preschoolers (ages 3-5), early readers (ages 5-9), middle readers (ages 9-13), young adults (ages 13-17) and adults (ages 18+). *The Mother of All Booklists* amalgamates the knowledge of the best English language booklists in the United States, including a few from Canada and Great Britain. Each of the 500 books is annotated, describing the contents of the book and suggesting why the book is unique.
