Halloween Costumes Review Returns:

Liberal Education and the Idea of the University Karim Dharamsi, James Zimmer, 2019-04-02 The idea of the university and the idea of liberal education share a family resemblance. However, it is not always explicitly clear what they have in common and what differentiates them. This collection brings together arguments and reflections on the nature of the university and the place of liberal learning in the 21st century. It is divided into two parts. In the first part, authors examine the values and ideals that shape our understanding of liberal learning and the university. In the second part, authors consider pedagogies informing our practices, asking after what underlying presuppositions when made explicit guide our liberal education classrooms in higher education. Unique in its approaches, this volume includes defenses of liberal education's intrinsic value, the commodification of some of its best ideals, as well as utilitarian defenses that challenge some orthodox conceptions of liberal learning and its justifications. Each, in its own right, understands liberal learning as essential to the defense of a democratic order. On the pedagogical side, included are essays that defend a view of liberal education from the vantage of STEM subjects, including architecture, as well as those we typically associate with the liberal arts. This volume will aid academics and students seeking to better grasp an understanding of liberal education, but also those seeking to advance their pedagogical ideas about liberal learning. Researchers and students in education, higher education, and those interested in the liberal arts and sciences will find this volume a useful addition to their collection. **Social Justice Education,**

Globalization, and Teacher Education Lydia Nganga, John Kamutu, 2015-11-01 The primary purpose of this book is to serve as a resource in teacher preparation programs. It is also intended to serve as an instructional resource in P-12 education. The book will be especially useful in methods of teaching and foundational courses both at the elementary and secondary education levels. The book contains pertinent instructional topics, units, and lessons in global education and social justice themes. The secondary purpose of this book is to serve as a resource for graduate students and researchers whose interest is global and social justice education. This unique book provides for an interdisciplinary approach to teacher education. Additionally, this book is intended to create a deeper sense of relevancy to issues of curriculum in teacher education. Together, global educators and social justice educators can forge pedagogical content knowledge that bridges the gap between affirming one's own identity and maintaining unity with the whole, thus exemplifying a robust notion of social justice. Consequently, content in this book will help pre-service teachers to gain confidence and deeper knowledge around issues of global interest, responsibilities, and uncertainties associated with their role as teachers who will teach children within the intersection of local and international neighborhoods. *The New York Times Theater Reviews 1997-1998* C. Unhomed Pamela Robertson Wojcik, 2024-04-23 In this rich cultural history Pamela Robertson Wojcik examines America's ambivalent and shifting attitude toward homelessness She considers film cycles from five distinct historical moments that show characters who are unhomed and placeless mobile rather than fixed characters who fail resist or opt out of the mandate for a home of one's own From the tramp films of the silent era to the 2021 Oscar winning Nomadland Wojcik reveals a tension in the American imaginary between viewing homelessness as deviant and threatening or emblematic of freedom and independence Blending social history with insights drawn from a complex array of films both canonical and fringe Wojcik effectively unhomes dominant narratives that cast aspirations for success and social mobility as the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along

Gender Linda L. Lindsey, 2020-12-17 A landmark publication in the social sciences Linda Lindsey's *Gender* is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person's identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of *Gender* provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe

Performing Postracialism Philip S.S. Howard, 2023-02-14 Blackface instances in which non Black persons temporarily darken their skin with make up to impersonate Black people usually for fun and frequently in educational contexts constitutes a postracialist pedagogy that

propagates antiblack logics In *Performing Postracialism* Philip S S Howard examines instances of contemporary blackface in Canada and argues that it is more than a simple matter of racial misrepresentation The book looks at the ostensible humour and dominant conversations around blackface arguing that they are manifestations of the particular formations of antiblackness in the Canadian nation state and its educational institutions It posits that the occurrence of blackface in universities is not incidental and outlines how educational institutions responses to blackface in Canada rely upon a motivation to protect whiteness *Performing Postracialism* draws from focus groups and individual interviews conducted with university students faculty administrators and Black student associations along with online articles about blackface to provide the basis for a nuanced examination of the ways that blackface is experienced by Black persons The book investigates the work done by Black students faculty and staff at universities to challenge blackface and the broader campus climate of antiblackness that generates it

Art Monster Marin Kosut, 2024-07-02 Why do people choose the life of an artist and what happens when they find themselves barely scraping by Why does New York City even in an era of hypergentrification still beckon to aspiring artists as a place to make art and remake yourself *Art Monster* takes readers to the margins of the professional art world populated by unseen artists who make a living working behind the scenes in galleries and museums while making their own art to little acclaim Writing in a style that is by turns direct and poetic personal and lyrical Marin Kosut reflects on the experience of dedicating your life to art and how the art world can crush you She examines the push toward professionalization the devaluing of artistic labor and the devastating effects of gentrification on cultural life Her nonlinear essays are linked by central themes community nostalgia precarity alienation estrangement that punctuate working artists lives The book draws from ten years of fieldwork among artists and Kosut's own experiences curating and cofounding artist run spaces in Bushwick Bedford Stuyvesant and Chinatown At once ethnography memoir tirade and love letter *Art Monster* is a street level meditation on the predicament of artists in the late capitalist metropolis

Slender Man Is Coming Trevor J. Blank, Lynne S. McNeill, 2018-09-21 The essays in this volume explore the menacing figure of Slender Man the blank faced long limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on and offline among children and young people Slender Man is arguably the best known example in circulation of creepypasta a genre derived from cypypasta which in turn derived from the phrase copy paste As narrative texts are copied across online forums they undergo modification annotation and reinterpretation by new posters in a folkloric process of repetition and variation Though by definition legends deal largely with belief and possibility the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication Slender Man is therefore a new kind of creation one intentionally created as a fiction but with the look and feel of legend *Slender Man Is Coming* offers an unprecedented folkloristic take on Slender Man analyzing him within the framework of contemporary legend studies creepypastas folk belief and children's culture This first folkloric examination of the phenomenon of Slender
