ABOUT THE AUTHOR Michael Miller is a Software Quality Consultant specializing in the development of software for iOS devices. He has been involved in the development of numerous iPhone and iPad apps in both the retail and education markets, including some well-known apps representing the mobile presence of Fortune 500 companies. Michael started his career in the business management software market but became intrigued with the mobile market when he purchased his first iPod Touch in 2007. When he's not developing and testing, he likes trying new cuisines, traveling, and training his young dog Sawyer. As a child, he wanted to be an astronaut; a dream he hopes to still accomplish one day with the advent of space tourism.

Apple Watch: 101 Best Features Steve Markelo, 2015-06-18 The Apple Watch was released in April 2015 to rave reviews and great anticipation. This is mainly due to the great innovation that has been offered to users through this amazing device. The device is compatible with the Apple iPhone 5 model and older and is mainly designed to operate in conjunction with the internet connection of the device. This approach by Apple has allowed the watch and the phone, when used together, to have better battery life as tasks are shared between the two devices. The improved user experience allows new technology to enhance how users interact with the watch and the iPhone device to get their tasks accomplished. There are many applications that can be downloaded on the watch that can make the user's experience very convenient by having certain features easily accessible on their wrists. This book will seek to explore 101 of the best features of the Apple Watch.
