Abelard to Apple Richard A. Demillo, 2011-08-26 How institutions of higher learning can rescue themselves from irrelevance and marginalization in the age of iTunes U and YouTube EDU The vast majority of American college students attend two thousand or so private and public institutions that might be described as the Middle reputable educational institutions but not considered equal to the elite and entrenched upper echelon of the Ivy League and other prestigious schools Richard DeMillo has a warning for these colleges and universities in the Middle If you do not change you are heading for irrelevance and marginalization In Abelard to Apple DeMillo argues that these institutions clinging precariously to a centuries old model of higher education are ignoring the social historical and economic forces at work in today s world In the age of iTunes open source software and for profit online universities there are new rules for higher education DeMillo who has spent years in both academia and in industry explains how higher education arrived at its current parlous state and offers a road map for the twenty first century He describes the evolving model for higher education from European universities based on a medieval model to American land grant colleges to Apple s iTunes U and MIT s OpenCourseWare He offers ten rules to help colleges reinvent themselves including Don t romanticize your weaknesses and argues for a focus on teaching undergraduates DeMillo s message for colleges and universities students alumni parents employers and politicians is that any college or university can change course if it defines a compelling value proposition one not based in institutional envy of Harvard and Berkeley and imagines an institution that delivers it

Dim Sum Strategy Peter Wilken, 2019-08-01 In the past brands were the sole domain of owners advertisers and marketers Strategies were crafted in smoke filled boardrooms and rolled out with little to no input from consumers Times have changed Today consumers are the new owners They have more information more channels more power and more choice but less time less loyalty and less trust than ever before Brands intersect every aspect of our lives but the business of building brands is still misunderstood *Dim Sum Strategy* presents a carefully curated selection of proven strategic tools with insights and anecdotes from three decades working with some of the world s leading brands at the world s top agencies The book is structured to follow the author s proven Brand Centered Management TM process with a smattering of different tools split into four parts Discovery Definition Direction and Delivery Each tool is presented in bite sized standalone chunks you can read the book in stepwise fashion or cherry pick in whatever order you wish just like a dim sum meal This book is full of common sense The kind of sense that isn t always common Andrew Robertson President CEO BBDO Worldwide Inc If you ve had your fill of long winded books on branding then *Dim Sum Strategy* is for you Filled with bite sized nuggets of wisdom it s the perfect format for time stressed professionals In other words all of us Graham Kelly Founder of Originate and former Executive Creative Director at Ogilvy BBH Saatchi Saatchi and TBWA Peter Wilken brings great warmth humanity and vast experience to bear on his wide ranging analysis of the myriad brand philosophies and tools out there In an era where there is no one size fits all solution his Dim
