Cult Marketing* Sascha Schneiders,2011 There is possibly no other company which is so casual and at the same time so powerful as the computer and entertainment manufacturer Apple The company controls the online music market the market for portable music players and is now capturing the high tech mobile phone market Apple moves into new electronic markets with strong competitors in order to monopolise them just a short time later The CEO Steve Jobs has brought a brand into being that is different and at the same time mainstream A strong magnetic brand which yields more influence in people s life than one would care to admit This is absolutely the reason why every company in the

world wishes for a strong magnetic brand which can be defined as a CULT BRAND They get repeatedly chosen over the competition They bring higher prices than the competition And if they are a strong enough brand their customers not only use their products but evangelize them to the world This project aims to analyze Apple s marketing activities in order to figure out what makes this company so successful It adds to the traditional marketing theory the new theory of cult marketing because traditional marketing delivers no approach to explain the behavior of cult brands The phenomena of a Cult Brand are comparable to the patterns of a religion and Apple as well has strong believers When it comes to their favorite brand they enjoy telling who ever will listen how great it is and why they love it so much People are camping in front of Apple s stores just to get their latest innovative product And if their Messiah Steve Jobs enters the stage to introduce a new product to thousands of viewers he brings the house down This book discusses Apple s unique Marketing Strategy and delivers a guideline on the Example of Apple of the needed conditions to convert an ordinary brand into a CULT BRAND *Apple Pro Training Series* Arek Dreyer,Ben Greisler,2013-12-23 This is the official curriculum of Apple s Mavericks 201 OS X Server Essentials 10 9 course and preparation for Apple Certified Technical Coordinator ACTC 10 9 certification as well as a top notch primer for anyone who needs to implement administer or maintain a network that uses OS X Server on Mavericks This book provides comprehensive coverage of OS X Server and is part of the Apple Pro Training series the only Apple certified books on the market Designed for help desk specialists technical coordinators and entry level system administrators this guide teaches you how to install and configure OS X Server on Mavericks to provide network based services You ll also learn to use tools for efficiently managing and deploying OS X Server In addition to learning key concepts and experiencing hands on practical exercises throughout the book also covers the learning objectives to help you prepare for the industry standard ACTC certification Provides authoritative explanations of OS X Server setup and management on Mavericks Focused lessons take you step by step through practical real world exercises Lesson review questions summarize what you learn to prepare you for the Apple certification exam Lesson files available for download **Apple Pro Training Series** Arek Dreyer,Ben Greisler,2012-11-29 The only Apple certified book on OS X Server on Mountain Lion this comprehensive reference takes support technicians and ardent Mac users deep inside the server for the latest operating system covering everything from networking technologies to service administration customizing users and groups and more Aligned to the learning objectives of the Apple Certified Technical Coordinator certification exam the lessons in this self paced volume serves as a perfect supplement to Apple s own training class and a first rate primer for computer support personnel who need to support and maintain OS X Server on Mountain Lion as part of their jobs Step by step exercises reinforce the concepts taught through practical application Quizzes summarize and reinforce acquired knowledge The Newest version of OS X is more business friendly than ever making it simple to get a network up and running quickly and IT professionals will need Server Essentials to integrate Macs into their organizations The Apple Pro Training Series serves as both a self paced learning tool and the
