Beginning PHP 5 and MySQL E-Commerce Cristian Darie, Mihai Bucica, 2007-03-01. This is the fully updated new edition of the popular work that shows readers how to create e-commerce websites using two of the world's most popular technologies: the PHP scripting language and MySQL database. In addition to guiding readers through the creation of a working website using sound enterprise development techniques, the authors take care to provide readers with a variety of alternative implementation solutions. The book has also been updated to reflect the latest development trends, showing readers how to upgrade their shopping cart using Ajax, integrate with Amazon's Web services, and encourage customer feedback through cutting-edge interactive features.

Accounting: Business Reporting for Decision Making, 9th Edition Jacqueline Birt, Keryn Chalmers, Suzanne Maloney, Albie Brooks, David Bond, Judy Oliver, 2025-11-24. Birt's Accounting: Business Reporting for Decision Making 9th Edition is the market-leading text for core accounting units in business and commerce degrees, specifically designed for first-year students across all business disciplines, including marketing and HRM. What sets this text apart is its focus on the connection between accounting and business decision making, presented from a management and stakeholder perspective rather than a technical accounting view.

Create Your Own Website Scott Mitchell, 2006. If you like millions of other people, have ever dreamed of creating your own website but haven't actually done so because you think it will be too difficult, think again. Chances are you already have all the skills you need to create a website, and Create Your Own Website Second Edition will show you how to use them. Walk through the entire website building process, from registering a domain name to uploading web pages with the author at your side. Specifically, you will learn how to create a family website, a hobby website, an eBay storefront, a blog, an image sharing directory. If you can use a word processor, you can create your own website with what you already know and the help of this book.
