Obama: the 34 days that decided the election: Playbook 2012 (POLITICO Inside Election 2012) Glenn Thrush, Jonathan

Martin,2012-12-17 The fourth and final eBook in POLITICO s Playbook 2012 series once again provides an unprecedented minute by minute account of the race for the presidency The End of the Line follows President Barack Obama and Republican challenger Mitt Romney as their campaign teams go all in to win in the critical final weeks of the 2012 election From Mitt Romney s 47 percent video to Clint Eastwood s speech to an empty chair the 2012 presidential campaign did not lack for memorable moments In The End of the Line POLITICO senior White House reporter Glenn Thrush and senior political reporter Jonathan Martin chronicle every hairpin turn in a race that defied the predictions of pundits and prognosticators While some political observers considered Barack Obama s reelection far from a sure thing the president and his team remained resolute in their belief that they would prevail In Boston Mitt Romney s advisers were just as confident that their man was headed for a smashing victory In the end only one of those views would be validated by events The outcome of this election was never foreordained however and would ultimately be determined by two candidates three debates and a thousand small but critical strategic decisions With an eye toward writing a first draft of history Thrush and Martin report on the intense internal debates over ad strategy that defined the parameters of the fall campaign including a crucial late May decision by the Obama campaign that may have tipped the scales in the president s favor They provide a behind the scenes look at the candidates debate preparation sessions and they reveal why Romney s campaign was so confident they were going to win The action climaxes on election night as the opposing camps huddle nervously in their hotel suites to await the verdict of the voters The End of the Line reveals for the first time what the Obama brain trust really thought about the agonizingly long wait for Romney s official concession and what happened after Obama put the telephone to his ear and heard the words Hello Mr President it s Mitt Romney No one could have predicted all the twists and turns of the 2012 election and no one was better equipped to chronicle them than the POLITICO team The End of the Line is frontline campaign reporting at its finest meticulously reported and compulsively readable **Reality Vs. Rhetoric** United States.
