How to Not Fall Down Susan A. Hamann, RN,2022-11-23 How to Not Fall Down life lessons on aging By Susan A Hamann RN Life As the saying goes Man plans God laughs You walk into a party thinking you look pretty cool only to have

someone point out the back of your dress is tucked into your underwear You move to a new city and by accident land in a neighborhood of the best neighbors you could ever want Your cat dies You find your favorite earrings lost a year ago under the dresser has it really been that long since you cleaned You find a lump the biopsy is negative Yes life the good the bad the funny the sad Some days even with the best intentions we still fall down These short essays are about just those things taken from Susan Hamann s life and yours that remind us what it means to fall down but keep on trying It s about the learning to get back up brush off the dust and try again

Shami Tree Narayan G Hegde,2022-04-01 Sham an aspiring youth from a prosperous rural family narrates the conflict between ancient cultural values and the emerging modern lifestyle He realises that in the process of receiving good education to tap new opportunities and lead a lavish life the new generation has been chasing materialistic acquisition at the cost of social inequality and environmental destruction ending up in stress and frustration Realising the erosion of traditional values the enlightened villagers with the advice of their spiritual leader try to strike a balance between moral obligations cultural values and emerging opportunities of the new world to live happily and in harmony with nature The Shami tree in Hindu mythology is a symbol of strength and endurance which sacrifices its own life to save other lives while inspiring human beings to search for self realisation It also demonstrates its importance in the food chain and in the conservation of biodiversity This self help fiction motivates young parents to understand their moral obligations and promote spiritual and cultural values among their growing children

“Happy Eating” and Food Addiction in American Advertising Debbie Danowski,2023-10-30 This book explores the addictive techniques used in advertisements for ultra processed foods which promise consequence free eating to consumers while at the same time encouraging over consumption of unhealthy food Debbie Danowski presents an analysis of promotional techniques in the context of food addiction characteristics and behaviors through an exploration of the themes used in this type of advertising These thematic messages include using food to rebel to play to relax to achieve happiness to replace exercise to achieve good health to increase intelligence to show love to bond with others and to create environmental change Ultimately Danowski argues that these competing and contradictory messages have had long term negative ramifications for American habits of consumption both literally and figuratively Scholars of communication advertising media studies and food studies will find this book particularly useful For more information check out this conversation between the author and Susan Branscome host of Food Addiction The Problem and The Solution
