

Reading Comprehension

Read the passage and answer the questions below

A dam is a wall built across a river or a stream to control water . Dams are built to make a reservoir . A reservoir is a man - made lake in which water is stored and sent across the country in pipes so that people can use it for drinking , washing and cooking . Dams are also built to store water for irrigating fields in the dry season when there is no rain . In the past, dams were built to force water into narrow channels . Today very big dams are built to use the force of water to get electricity .

A) Answer the following questions :

1. When do we need water from Dams ?

.....

2. How can we get electricity from water ?

.....

B) Choose the correct answer :

3. Water is stored and sent across the country in

a) canals b) pipes c) cartoons

4. A dam is a wall builta river or stream .

a) above b) around c) under

Reading Comprehension Last 90 Days Setup:

Lost Educational Opportunities in Alternative Settings United States. Congress. House. Committee on Education and Labor. Subcommittee on Healthy Families and Communities, 2009

Interactive Distance Learning in PreK-12 Settings Jan M. Yates, 2003-04-30 The wide array of possibilities for interactive distance learning in today's schools can be daunting. This book will help educators make the transition from technology based learning modalities and integrate elements of distance learning into the curriculum. With emphasis on Internet based delivery formats, author Jan M. Yates presents the latest research and proven techniques for creating effective distance learning opportunities that enhance student achievement. This guide is indispensable for anyone serious about distance learning. Included are an introduction, models and examples of distance learning, distance learning settings, discussions of support technologies and their uses, evaluation of interactive distance learning activities, a wealth of information about Web sites, vendors, and useful materials.

Reach the Highest Standard in Professional Learning: Data Thomas R. Guskey, Patricia Roy, Valerie von Frank, 2014-06-05 When teachers use data effectively, students see results. Learning Forward is a leader in understanding and advancing professional learning that leads to student success. This series explores Learning Forward's seven Standards for Professional Learning, which outline the characteristics of effective professional learning. In this volume, the authors explore the crucial function of data for designing, implementing, and evaluating professional learning. The book's features include: An original think piece by Thomas Guskey on using data in deliberate and thoughtful ways in the context of professional learning; Specific implementation strategies that focus on analyzing student, educator, and system data and assessing progress; A detailed case study of one district's journey to successful use of data and how it led to measurable improvement in student achievement. Learning to collect, analyze, and use data is an essential component of professional development. When schools are able to make data work for them, students are the ones who benefit.

Effective Teaching in Correctional Settings Robert G. Thomas, Robert Murray Thomas, 2008 This book has a dual purpose: to identify problems faced by people who teach in correctional institutions and to propose solutions for those problems. The intent of this book is to help both new instructors as well as current ones perform their jobs effectively. The book is divided into three parts. The first part introduces the reader to the field of correctional education, describing correctional efforts in America, the kinds of facilities, the inmate populations, and the controversies, including advocates and critics, over providing educational opportunities. A description is provided of the kinds of educational and rehabilitation programs, including the varieties and sources of teachers and administrators. Part two explores the teaching process and how students are analyzed on their abilities, learning disorders, gender, ethnicity, gang membership, length of imprisonment, and reasons for enrolling in educational programs. Each chapter is divided into two major sections: the first section studies the perspective, and the second section concerns problems and solutions. Each problem is posed as a brief case study that includes the nature of a particular problem, factors affecting decisions about what

a teacher might do and one or more proposed solutions Part three summarizes key concepts from the previous chapters and speculates about the state of correctional education in the years ahead It will be of interest to those who contemplate a career in correctional education those who are already in correctional education or those who simply want to learn what teaching in a prison jail or juvenile facility is all about **20 Year-wise XAT Previous Year Solved Papers (2005 - 2024) with 5 Mock Tests 16th Edition | PYQs Question Bank | Essays, Quantitative Aptitude, Verbal Ability, Reading Comprehension & Reasoning** Disha Experts,2024-05-09 The updated 16th Edition of the book 20 Year wise XAT Previous Year Solved Papers 2005 2024 with 5 Mock Tests provides 20 year wise 2005 2024 Original papers with authentic solutions of XAT The topics of the essays asked in each of these XAT exam 5 Mock tests designed exactly as per the latest pattern of XAT Each mock test contains questions on decision making English language logical Reasoning and quantitative Ability whereas part 2 contains questions on General awareness on business environment economics and Polity The detailed solution to each test is provided at the end of the book **Federal Register** ,2013-07 *The Latest and Best of TESS* ,1991
