timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle *Ahead of the Curve* Philip Delves Broughton, 2008-07-31 Two years in the cauldron of capitalism horrifying and very funny The Wall Street Journal In this candid and entertaining insider's look at the most influential school in global business Philip Delves Broughton draws on his crack reporting skills to describe his madcap years at Harvard Business School Ahead of the Curve recounts the most edifying and surprising lessons learned in the quest for an MBA from the ingenious chicanery of leveraging and the unlikely pleasures of accounting to the antics of the booze luge and other less savory trappings of student culture Published during the one hundredth anniversary of Harvard Business School this is the unflinching truth about life in the trenches of an iconic American institution **Digital Transformation in Cloud Computing** Alibaba Cloud Intelligence GTS, 2022-06-13 With the rapid development of cloud computing and digital transformation well designed cloud based architecture is always in urgent need Illustrated by project cases from the Chinese technology company Alibaba this book elaborates how to design a cloud based application system and build them on the cloud Cloud computing is far from being just a resource provider it offers database storage and container services that can help to leverage key advantages for business growth Based on this notion authors from the Alibaba Cloud Global Technology Services introduce new concepts and cutting edge technology in the field including cloud native high availability and disaster tolerance design on cloud business middle office data middle office and enterprise digital transformation Resting upon Alibaba's years of practice and achievements in the field of cloud technology the volume also elucidates the methodology and practice solutions of digital construction including methodology product tools technical processes architecture design cloud application capacity assessment and optimization etc The book will appeal to researchers students and especially IT practitioners professionals and managers interested in cloud computing digital transformation cloud migration business middle office data middle office as well as the Alibaba Cloud itself **Dead, Mr Mozart** Bernard Bastable, 2013-02-14 It is 1820 and George IV has just assumed the throne An ageing Wolfgang Amadeus Mozart is intrigued by the prospect of a coronation scenting rich pickings As a child he had visited England with his family in 1764 but instead of returning to Austria and an early death as orthodox music history relates they stayed on deluded by a piece of royal generosity the result of a misunderstanding of guttural royal English Now Mozart conducts his own meretricious rubbish at a London theatre but dreams of having one more real opera staged before he dies However the trial of George IV's wayward queen for adultery before the Lords leads Mozart into dangerous and indeed murderous waters Insulted most graciously by the King the composer finds himself involved in disposing of an inconvenient corpse and initiating enquiries to uncover the murderer a matter which seems of remarkably little consequence to everyone else This

diverting and perplexing piece of alternative history is a delightful addition to our knowledge of the great composer and to the output of Bernard Bastable also known to crime fans as Robert Barnard Not only fetchingly funny but also craftily plotted The Scotsman Great fun is had with real and imagined historical personages Irish Times Tremendous period skulduggery Sunday Times
