Huang, 2020-04-01 As the field of FinTech continues its progress, financial institutions must not only enhance their digitization but also make serious efforts to understand the resulting new opportunities it creates. In line with these developments, TABF has published the book Basic knowledge on FinTech which was designed by us as a reference for the FinTech Knowledge Test. Co-authored by TABF staff and other experts, it features balanced and credible analysis, avoiding trivia and overly complex concepts while emphasizing readability. The content structure is based on the World Economic Forum (WEF)'s roadmap for FinTech development, adding in TABF's research findings plus other domestic and international trends and practices. Not only is Basic knowledge on FinTech suitable for financial proficiency testing, but it can also be used as a textbook in university courses supplementing theoretical knowledge with up-to-date practical knowledge in this rapidly changing field. **E-Commerce (Business Models And Business Strategy)** Dr. G. Thiyagarajan, 2024-01-17 Although E-commerce is growing a lot, many business executives are still unclear about whether it fits their business model or how to take the next step. Make sure E-commerce will work for you before jumping in, given the fierce competition, cybersecurity risks, and uncertainty over whether your customer experience will remain high. Furthermore, it's critical to understand the fundamental forms of business models and how they operate in e-commerce if your company has only recently started. Especially in the beginning, this knowledge will assist you in making some fundamental business decisions. In actuality, e-commerce is the way of the future for all business models. Understanding how it best fits yours will enable you to stay ahead of the competition and sustainably encourage growth. Your business's operations are influenced by interconnected plans known as e-commerce strategies. There are three major e-commerce strategies to consider: product strategy, customer relationships, and corporate considerations. To guarantee the greatest results for your brand, each of these needs to cooperate with the others. Over the past few years, e-commerce has grown

dramatically Following the COVID 19 pandemic consumers purchasing patterns shifted to include a greater number of online sales of products and services The explosive development of smartphones and other smart devices over the past ten years together with the launch of the high speed 5G network have both contributed to the rise of e commerce E commerce is expected to grow even more as a result of advancements in digital and integrated payments the quick adoption of websites decentralized cross border trade and metaverse platforms The book is structured around five general E Commerce models and strategies We anticipate that students will gain better insight from this book regarding the topics covered in the syllabus
