output with pipe or redirect or **Special Edition Using Mac OS X, V10.3 Panther** Brad Miser, 2004 The Panther release of Mac OS X continues the development of the Macintosh operating system Mac OS X has become the dominant OS on the Macintosh platform and is currently the default OS on all new Macintosh computers Mac OS X is a complex and powerful operating system for which no documentation is provided by Apple outside of the Apple Help system which contains very limited information Special Edition Using Mac OS X Panther provides the in depth wide ranging coverage that enables Mac users to get the most out of the operating system and included tools This book explains how to get the most out of the core OS including the Finder desktop and system customization The book also shows readers how to use OS X s Internet applications for email Web surfing and mac for publishing content on the Net One of the book s major strengths is the extensive coverage of iTunes iPhoto iDVD and iMovie QuickTime and QuickTime Pro are also covered The book helps readers understand and configure the technologies to expand their systems **Cyber Smart** Bart R. McDonough, 2018-12-05 An easy to read guide to protecting your digital life and your family online The rise of new technologies in our lives which has taken us from powerful mobile phones to fitness trackers and smart appliances in under a decade has also raised the need for everyone who uses these to protect themselves from cyber scams and hackers Every new device and online service you use that improves your life also opens new doors for attackers looking to discover your passwords banking accounts personal photos and anything else you want to keep secret In Cyber Smart author Bart McDonough uses his extensive cybersecurity experience speaking at conferences for the FBI major financial institutions and other clients to answer the most common question he hears How can I protect myself at home on a personal level away from the office McDonough knows cybersecurity and online privacy are daunting to the average person so Cyber Smart simplifies online good hygiene with five simple Brilliance in the Basics habits anyone can learn With those habits and his careful debunking of common cybersecurity myths you ll be able to protect yourself and your family from Identify theft Compromising your children Lost money Lost access to email and social media accounts Digital security is one of the most important and least understood aspects of our daily lives But it doesn t have to be Thanks to its clear instruction friendly tone and practical strategies Cyber Smart will help you rest more easily knowing you and your family are protected from digital attack **“This Is America”** Katie Rios, 2021-06-10 In This Is America Race Gender and Politics in America s Musical Landscape Katie Rios argues that prominent American artists and musicians build encoded gestures of resistance into their works and challenge the status quo These artists offer both an interpretation and a critique of what This Is America means Using Childish Gambino s video for This Is America as a starting point Rios considers how elements including clothing hairstyles body movements gaze lighting effects distortion and word play symbolize American dissonance From Laurie Anderson s presence in challenging authority and playing with traditional gender roles in her works to the Black female feminism and social activism of Beyonc Rhiannon Giddens and Janelle Mon e to hip hop as resistance in the age of Trump to sonic and visual variety in the musical Hamilton

the subjects are as powerful as they are topical Rios explores the ways in which artists relate to and represent underrepresented groups especially groups that are not traditionally perceived as having a majority voice The encoded resistances recur across performances and video recordings so that they begin to become recognizable as repeated acts of resistance directed at injustices based on a number of categories including race gender class religion and politics
