Varun Mayya, Achina Sirohi Mayya, 2024-11-30 Every day millions of videos are uploaded but only a handful break through to the mainstream. What separates viral content from forgotten content? It's not luck. It's not talent. It's strategy. In this no-nonsense guide, Varun and Achina Mayya, creators of multiple successful YouTube channels and online businesses, reveal the strategies, tactics, and insider knowledge that have helped them master the art and science of content creation. The content will help you learn why most content strategies fail and how to craft one that works. The real way algorithms operate and how to use them to your advantage. The secret language of engagement that turns viewers into loyal fans. Proven methods to monetize without alienating your audience. How to avoid the most common pitfalls that trap content creators. You can also go behind the scenes with guest experts Shirsh Bajpai and Martin Noronha as they dive deep into the technical aspects of video editing, production, and more, and offer actionable insights that will immediately elevate your content. Whether you're a budding YouTuber, an entrepreneur, or a seasoned creator looking to scale, this book is your blueprint for building a sustainable, impactful career in content creation.

Coupon Crazy Mary Potter Kenyon, 2013-06-18 A fascinating history of this marketing tactic and why some shoppers take it to extremes from a longtime expert couponer. Coupon Crazy examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world, the average American doesn't even know about. Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's Coupon Queens and Kings and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. My favorite aspect of the entire book was the candid tone.

Kenyon takes in sharing her story and others As someone that both uses coupons and teaches couponing practices I found the book triggering self reflection at many points Do I purchase products just because they are on sale Do I devalue products I ve gotten for free Do I allow coupons to inform my purchases or the other way around If you are a couponer it s quite possible you ll find yourself reflecting on your own shopping habits as you read this book too Angela Russell The Coupon Project
