The even better news is that those of us within the church can join this changemaking celebration and discover creative new ways God can use our mustard seeds to make a more remarkable difference than we ever imagined possible. In this book, Tom Sine offers practical ways you can join those who are creating their best communities, their best world, and in the process, their best lives. Sine shows that in a world changing at warp speed, following Jesus is a design opportunity. It is not only an opportunity to design innovative ways to make a difference but also an opportunity to create lives with a difference in the way of Jesus that are simpler and more sustainable and to throw better parties along the way.
