When the NHL Invaded Japan Steve Currier, 2022-06-21 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games leach year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL s fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men

who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league s ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chronicle that no serious hockey fan will want to be without Five Overtimes John G. Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport s scholarly fans However one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens It provided something never seen before in the history of the NHL and has not been seen since every one of the five games required a dramatic sudden death overtime period to determine a winner This book takes an in depth look at this exciting conclusion to the 1950 51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes As an added bonus a special chapter discusses the short life baffling disappearance and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal **Hockey Night in Dixie** Jon C. Stott, 2006 During the 1980s the geography of minor league professional hockey changed radically moving from its roots in the Maritime provinces and in the New England and midwestern states into the American south In addition to cities like Oklahoma City Dallas Charlotte and Norfolk which had long traditions of minor league hockey unlikely places such as Biloxi Baton Rouge Little Rock and Augusta hosted teams Over an 18 year period minor league hockey was played in 72 different southern cities and at one point there were more minor league teams in Texas than in all of Canada Hockey Night in Dixie examines this phenomenon with a historical overview of the period including interviews with people involved in the founding and early years of each of the 13 leagues There are also in depth portraits of four teams one from each of the four lower minor leagues that played during the 200506 season These portraits feature interviews with owners coaches players officials fans and reporters Illustrated with photographs Hockey Night in Dixie paints a vivid picture of this extraordinary development in minor league sports *The NHL's Mistake by the Lake* Gary Webster, 2021-09-30 The Cleveland Barons should never have existed Born when the National Hockey League s California Golden Seals another team that should never have existed were transplanted to

Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it **Hockey** Jenny Ellison, Jennifer Anderson, 2018-04-25 For Canadians hockey is the game Shared experiences and memories lacing up for the first time shinny on an outdoor rink Sidney Crosby's historic goal or the one scored by Maurice Richard make hockey more than just a game While the relationship between hockey and national identity has been studied where does the game fit into our understanding of multiple diverse Canadian identities today This interdisciplinary book considers hockey both as professional and amateur sport and both in historical and contemporary context in relation to larger themes in Canadian Studies including gender race ethnicity ability sexuality geography and reflects upon all aspects of hockey in Canadian life play fandom sports broadcasting and community activism This interdisciplinary scholarly collection is an extension of the Hockey in Canada More Than Just a Game exhibition presented by the Canadian Museum of History Published in English Includes one chapter in French Next Goal Wins! acumen for historical research with her training as a Spiritual medium In this book Deborah features several lifetimes of over a dozen souls through information disseminated from Spirit in a new way The messages from Spirit came through Deborah s own mediumship as well as the Spirit communication of other well known Mediums Accounts of several of her readings were featured in books by others including Psychic Medium Lydia Clar with her book OUT OF DARKNESS INTO LIGHT Spiritual Medium Robert Brown s first book WE ARE ETERNAL and Trance Medium Suzane Northrop s book EVERYTHING HAPPENS FOR A REASON Deborah also received substantial validation of her work during a public demonstration of Spirit Communication at the Virginia Beach retreat sponsored by Robert Brown His special guest and friend medium John Edward came to Deborah with information that substantiated her own messages from Spirit as well as her validating historical research Deborah Richmond Foulkes is a Spiritualist in the footsteps of her great great grandmother Elizabeth Foster and her cousin Horace Greely who were early supporters of Spiritualism Deborah became a Certified Medium in the Spiritualist church But while communication with the so called dead is accepted among Spiritualists the concept of multiple incarnations is not In 2000 Deborah received her first clue about a past life in Scotland She was able to verify the information from her guide in Spirit through original documents Other Spirit in her circle began to come forth with proof of their medieval lifetimes Then in 2006 the Spirit known as Archibald Douglas revealed a more recent lifetime as a young man David Lee who grew up in western Pennsylvania and became a United States Marine I died in a jeep accident landmine Dave explained That piece of evidence was the first link to a second lifetime that ended in 1968 for the same soul who incarnated in 1296 in Scotland The author was able to validate through research that the soul had the same personality with the identical core values whether he was 2nd Lieutenant Dave Hopkins USMC or Sir Archibald Douglas Regent of Scotland That important step meant for Spiritualists that the soul is the same lifetime over lifetime Others in Spirit began to come forward with their evidence of survival And each time Deborah was able to find historical evidence to validate their claims The author was also able to show that the soul was identical in each ensuing incarnation As a breakthrough book on Reincarnation written with Spirit and validated with historic research Deborah Richmond Foulkes shares discoveries we all can both understand and believe
