Bitter Past Anne M. Scott, 2024-03-19 A woman heartbroken Sam Kerr had it all a thriving law practice a beautiful home and a wonderful circle of friends But watching her friends find love reminds her of the man who left her behind Romance isn't worth the pain she'll stick with business Then she discovers Marcus Bank her wealthiest client is supporting criminal activity Sam drops them immediately and loses her income her community's support and everything she fought so hard to build Even worse the only person who can help her is the man who abandoned her A man conflicted Trevor Mills sails the world with the US Navy haunted by the memory of the woman he had to leave behind A life changing injury drives him from the service into a new desk job with the FBI in the DC area The city's noise traffic and people are a constant reminder that he lost the perfect life and love Then the FBI needs an undercover agent in Marcus Montana forcing Trevor to return and face the woman he'd never stopped loving Sam hates him but needs to bring the criminals threatening their town to justice As the danger intensifies Sam and Trevor can't deny their attraction Will confronting their painful past help Sam and Trevor survive the present and build a future together or tear them apart forever
