Berneice Prisk,1979 **Bookseller's catalogues** Thornton J. and son,1883 *Buying for the Home* Margaret
Ponsonby,2017-03-02 *Buying for the Home* is a book about the experiences and also the polarities of shopping and the home
It analyses the ways in which the agencies and discourses of the retail environment mesh with the processes of physical and
imaginative re creation that constitute the domestic space teasing out the negotiations and interactions that mediate this key
arena The study examines how the strategies of retailers were both arbitrated by and negotiated through the actions and
desires of the homemaker as consumer Drawing on the recent CHORD Centre for the History of Retail and Distribution
colloquium on shopping and the domestic environment and including two specially commissioned pieces the book draws on a
wide selection of interdisciplinary work from established scholars and new researchers Organised around four key themes
retail arenas and the everyday identity and lifestyle fashioning domestic space and cultural practice the ten case studies
cover a range of cultural encounters and locations from the seventeenth to the late twentieth century Through these
interdisciplinary but linked case studies *Buying for the Home* forces us to consider the fractured space that existed between
the world of goods and the middle and working class home and in so doing interrogate how middle class and plebeian
homemakers view imagine and ultimately occupy their domestic spaces in early modern modern and post modern society

Lawrence,1990-07-20 As readers and critics around the country agree any new book by the renowned garden writer

and heat are not conducive to such planting She describes her own experiences in making a rock garden with excellent
advice on placing stones constructing steps ordering plants and making cuttings At the same time what she writes about here
is in large part of interest to gardeners everywhere and for gardens with or without rocks As always she thoroughly discusses
the plants she has tried recommending bulbs and other perennials of all sorts annuals and woody plants with poetic
descriptions of the plants themselves as well as specific and useful cultural advice *A Rock Garden in the South* includes an
