**Role of Leadership in Facilitating Healing and Renewal in Times of Organizational Trauma and Change** Byrd-Poller, Lynda, Farmer, Jennifer L., Ford, Valerie, 2021-06-25 Organizational trauma theory endeavors to examine the psychological and physical effects of trauma on individuals and groups within an organization Individual trauma the individual mental and emotional disruptions that affect the well being of self often contributes to organizational trauma Or sometimes the disruptions are external and caused by societal economic or political changes Recent traumatic events such as the COVID 19 pandemic and racial tensions stemming from social injustices present even greater challenges for organizations as leaders seek to facilitate healing restoration and renewal Organizational trauma is currently playing out in our organizations and organizational scholars leaders and managers are looking for ways to mitigate this trauma without having explicit knowledge or understanding of how to deal with it Despite the increasing need to better understand organizational trauma and how to address it this body of research has not played a prominent role in mainstream organization and management theory Role of Leadership in Facilitating Healing and Renewal in Times of Organizational Trauma and Change examines the importance of dealing with trauma in organizations and related topics of interest The chapters highlight global perspectives and present new and significant information and observations about organizational trauma and offer insights derived from a solidly and sufficiently broad knowledge base of theory research and practice This book will also grant a basis of understanding trauma its antecedents and outcomes as well as how it can be mitigated and will provide information and insights regarding organizational trauma and how it interacts with and influences other organizational phenomena This book is ideally intended for managers human resources officers academicians practitioners executives professionals researchers and students interested in examining the ways in which organizational trauma is impacting the workplace

Exploring the Professional Identity of Management Consultants Anthony F. Buono, Léon de Caluwé, Annemieke Stoppelenburg, 2013-03-01 The volume is based on the presentations and discussions from the Fifth European Conference on Management Consulting sponsored by the Management Consulting Division of the Academy of Management which took place June 2011 at Vrije Universiteit in Amsterdam the Netherlands The conference theme Exploring the Professional Identity of Management Consultants attempted to capture the highly ambiguous social status of this young and emerging profession Management consulting does not have professional standards or accreditation criteria like those found in medicine or law there are low barriers to entry and a broad range of tasks are undertaken in the name of consulting As a result a crucial aspect of what constitutes such a

loosely defined profession is the identity of its members The professional identity of management consultants is continuously developing through the interplay of how consultants are seen and valued by clients as well as in the larger society and how consultancy firms and consultants identify and position themselves This theme includes a variety of topics ranging from the interaction between consultants and their clients consultant rhetoric and self presentation and the plethora of books media and public discourse on consulting to human resource policies and practices knowledge development activities of consultancy firms career and life stories of consultants and consultancies and consulting associations accreditation bodies and education programs All of these factors contribute either directly or indirectly to identity construction in the field of management consulting

*Family Business Transformation* Stefan Märk, Mario Situm, 2024-06-17 Family businesses play a pivotal role in the global economy and their successful development is of utmost importance This first volume of the Contemporary Issues in Family Business Entrepreneurship series focuses on the topic of family business transformation which is causing drastic changes in companies strategies and business models Decisions to adapt or change family business strategy and or the business model are always associated with risk Family Business Transformation integrates work on the broad topics of transformation strategy development business model development with the study of family businesses to provide family business owners managers and entrepreneurs much needed recommendations from best practice examples and or empirical findings that can support decision making in regard to the future direction of their companies This book calls for a specialized examination of the social interactions among stakeholders substantially expanding classical management theory Scholars of family business entrepreneurship and strategic management institutional libraries and postgraduate students will find it an essential read and benefit from its insights

#### **Human Resource (Talent) Development** Ronald R.

Sims, 2023-01-01 The rapidly transforming environment that we live in has made human resource development HRD all the more necessary for the success of today s organizations HRD initiatives help their organizations by developing employees who assist their organizations in not only surviving but thriving in our increasingly global world Today s best practice or benchmarked organizations and their HRD professionals continue to recognize the importance of employee learning knowledge skills and motivation to organizational success This recognition increasingly opens many doors as organizational leaders accept the fact that HRD initiatives can be used to ensure that organization members have what it takes to successfully meet the demands that confront them and their organizations This book takes the position that HRD can demonstrate how their initiatives help to develop a superior workforce so that the organization and its individual employees can accomplish their strategic and operational goals in service to their clients or customers This book is written with the belief that HRD professionals have many opportunities to learn change and find ways both in and outside of the workplace to contribute to the development of learning organizations as we move further into the 21st century A major point of this book is that HRD will continue to become more and more important to organizational success when one considers the increased

responsibilities HRD professionals have taken on during and post the COVID pandemic The primary audience for this book is practicing HRM and HRD professionals and other organizational leaders The book provides proven ideas important to demonstrating the value of HRD From a practical viewpoint it is based on actual experience a strong research base and accepted practices presented in an easy to read form A second target audience is students of HRD and HRM who are preparing for careers in this important field This book will help them develop a solid foundation to the study of HRD practices or initiatives that are key to HRD success regardless of the type of organization A third target audience is managers or leaders at all levels of an organization who are expected to take on a number of HRD responsibilities e g as trainers coaches mentors change agents and so on while regularly partnering with HRD professionals It offers these individuals a firsthand look at what they should expect of their HRD functions or areas and how they can effectively work with HRD professionals in their organizations to achieve the organizations strategic goals by getting the most out of its human people

*Change Management - Models, Perspectives, and Reflections* Jonas Fasth, 2025-05-10 This book challenges the oversimplified recipes that have long dominated the field of change management This book brings together decades of research models perspectives and critical reflections with the aim of helping you think for yourself Through historical overviews different perspectives on change and paradoxes you are invited to explore the real complexity of organizational change not as a checklist to follow but as a process to engage in The book is for managers change leaders HR professionals consultants and students who seek a reflective approach to change Jonas Fasth is a researcher educator and advisor with extensive experience working with change processes in both private and public organizations

**Legal Tech, Smart Contracts and Blockchain** Marcelo Corrales, Mark Fenwick, Helena Haapio, 2019-02-07 There is a broad consensus amongst law firms and in house legal departments that next generation Legal Tech particularly in the form of Blockchain based technologies and Smart Contracts will have a profound impact on the future operations of all legal service providers Legal Tech startups are already revolutionizing the legal industry by increasing the speed and efficiency of traditional legal services or replacing them altogether with new technologies This on going process of disruption within the legal profession offers significant opportunities for all business However it also poses a number of challenges for practitioners trade associations technology vendors and regulators who often struggle to keep up with the technologies resulting in a widening regulatory gap Many uncertainties remain regarding the scope direction and effects of these new technologies and their integration with existing practices and legacy systems Adding to the challenges is the growing need for easy to use contracting solutions on the one hand and for protecting the users of such solutions on the other To respond to the challenges and to provide better legal communications systems and services Legal Tech scholars and practitioners have found allies in the emerging field of Legal Design This collection brings together leading scholars and practitioners working on these issues from diverse jurisdictions The aim is to introduce Blockchain and Smart Contract technologies and to examine their on going impact on the legal

profession business and regulators
