Financial Aid Usa Open Now:

Asian Refugees in America Eleanor Herz Swent, 2011-09-29 When Eleanor Swent began teaching English as a Second Language in 1967 at a school for adults in Oakland California she soon learned that many of the Asian immigrants in her classes had remarkable tales to tell of struggles in their homelands and their efforts to make new lives in America This oral history based on interviews Swent conducted with her students over thirty years documents the Asian immigrant experience as never before Here are the stories of desperate individuals who swam to escape from China to Macao and Hong Kong of Chinese daughters considered worthless by their families of political refugees from Vietnam of ethnic Chinese who fled by boat from Vietnam of refugees from the genocide in Cambodia As these remarkable new Americans learn different words and customs they also enlarge our national vision enriching our culture while assuring us that human dignity can rise above terrible circumstances

Congressional Record ,1896 **The Bank of the United States and the American Economy** Edward Kaplan, 1999-09-30 An account of the history structure and operation of the First and Second Banks of the United States this study examines how the banks performed as national and central institutions and what happened to the economy when the charter of the Second Bank was allowed to expire in 1836 Historians have paid little recent attention to the early history of central banking in the United States and many Americans believe that the Federal Reserve created in 1913 was our first central bank The economic crisis during the American Revolution actually led to the founding of a national bank called the Bank of North America during the period of Confederation Although it became a private bank before the Constitution was ratified in 1788 it proved to be such a success that in 1791 Alexander Hamilton the first Secretary of the Treasury was able

to convince President Washington that a similar bank should be established While the First Bank of the United States performed well during its tenure its charter was allowed to lapse in 1811 A Second Bank of the United States was created five years later in 1816 and it prospered under the leadership of its third president Nicholas Biddle from 1823 to 1830 when central banking was practiced This success ended with the 1828 election of Andrew Jackson who refused to recharter the bank and withdrew the government s funds in 1833 Severely weakened the Bank continued but its charter finally expired in 1836 much to Biddle s dismay The Word Guy Alfred Aldred,1957
