Book of the Month Jennifer Probst, 2024-10-22 From New York Times bestselling author Jennifer Probst discover *Book of the Month* She's desperate for another bestseller and she'll go to any length to get it Even if it means sacrificing her pride to chase the hottest bachelor in town and get him to break her heart Once the literary world's golden girl Aspen Lourde can't seem to produce another successful book and the pressure's on to prove she's not just a one-hit wonder But there's a catch her bestseller was a heartbreak hit straight from her own love-life disaster Without any fresh romantic turmoil to fuel her pen Aspen needs inspiration quick enough to create a book her agent can sell to her publisher So she escapes for the summer to the Outer Banks with a plan to live a story worth writing Brick Babel is a romance novelist's dream a local heartthrob with a reputation as wild as the horses running free in the town He's everything Aspen needs for a muse kickstart gorgeous moody and notoriously unattainable His affairs are legendary in the small town and every woman warns her off including her sister Too bad a good heartbreak is exactly what she needs to meet her deadline But Brick refuses to play the game rejecting all of her advances When Aspen hears his tour company is on the verge of bankruptcy she offers him a deal fake a whirlwind summer romance then ditch her drama guaranteed Desperate to save his grandfather's business Brick agrees to the ridiculous deal What starts as a contractual fling spirals out of control as lines blur and real feelings emerge Brick's falling hard and Aspen's rethinking her plot twist The novel might be her ticket back to the top but at what cost Because Aspen's finally found her muse but some stories may be too true to share *Book of the Month* isn't just about finding love where you least expect it It's about finding yourself in the pages of life's unexpected chapters

The New Author R.A. Barnes, 2015-01-29 A beginner s guide to writing a novel publishing as an independent ebook author and promoting your brand using social networks With foreword by Jim Williams author of ten internationally published novels including the Booker Prize nominated Scherzo The New Author is an excellent piece of writing combining deceptive simplicity lucidity and charm a trick which in practice is very difficult to pull off The book is also informed by considerable intelligence and analysis founded on firsthand experience Barnes explicitly warns against the trap that engagement at the required level can become obsessive and time consuming and in a couple of nice vignettes he makes his point with wit and style The New Author is a terrific companion for independent e publishing and I recommend it There are at least three reasons why you might want to buy this book 1 you want to be an author 2 you have already written a novel and want to publish it as an ebook 3 you want to promote yourself as an author This book is a

beginner's guide on how to do the above. It isn't a magic elixir for foolproof million copy marketing of your ebook. It is based upon the experiences of this author and a broad based peer group. I have to warn you right now this is not going to be an easy journey. Less of a country stroll more of a trek up Kilimanjaro. The good news is that almost anyone can trek up Kilimanjaro with the right support, appropriate equipment and a positive attitude. See you at the top.

The New Author is a non-fiction work of 44,000 words. What this book does and does not contain: The scope of this edition is deliberately limited to basic novel writing guidelines, first practical steps in building and operating a social media platform for authors and the process of epubublishing a novel on Amazon KDP and other market channels via Smashwords. A list of recommended further reading is provided that covers the subject matter should readers wish to delve deeper into these areas. This edition of The New Author does not contain a method approach to novel writing, advice on publishing in print or a prescriptive silver bullet approach to ebook marketing. The internet is a labyrinth of blogs, websites and web based tools. User interfaces are constantly being improved, upgraded and changed. No screenshots have been included in this book in order to avoid early obsolescence and to keep the format and page display simple and readable. Hyperlinks to the internet have not been used for similar reasons and to avoid accidental use by the increasing number of ereaders with touch screens.

Writing an Identity Not Your Own Alex Temblador, 2024-08-13. A practical guide to help authors authentically write and edit a character whose identity is different than their own. Do you have the tools to authentically write and edit a character whose identity is different than your own? It's not a subject that's generally taught in creative writing programs and there are so few craft books and online resources on the subject. Even if you can take a seminar, class or workshop, there's nothing like having an easy to understand book on hand to provide guidance and insight every time you craft characters with historically marginalized identities. In Writing an Identity Not Your Own, award winning author Alex Temblador discusses one of the most contentious topics in creative writing: crafting a character whose identity is historically marginalized. What is identity and how do unconscious biases and bias blocks impact and influence what we write? What is intersectionality? You'll learn about identity terms, stereotypes and tropes and receive genre specific advice related to various identities to consider.

when writing different races and ethnicities sexual and romantic orientations gender identities disabilities nationalities and more Through writing strategies exercises and literary excerpts writers will gain a clearer understanding on how misrepresentations and harmful portrayals can appear in storylines dialogue and characterization Alex will guide writers from the brainstorming phase through the editing process so they can gain a full understanding of the complexities of writing other identities and why it's important to get them right
