Dis Ordering Distribution explores the intricate relationship between distribution and production drawing on empirical evidence from two vibrant centers of cultural production Africa and Asia **Love for Sale** David Hajdu, 2016-10-18 Named a Must Read by Vanity Fair and BBC One of our sharpest music critics recounts a life immersed in pop music An engaging history The Wall Street Journal In Love for Sale David Hajdu one of the most respected critics and music historians of our time draws on a lifetime of listening playing and writing about music to show how pop has done much more than peddle fantasies of love and sex to teenagers From vaudeville singer Eva Tanguay the I Don t Care Girl who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations Exhaustively researched and rich with fresh insights Love for Sale is unbound by the usual tropes of pop music history Hajdu for instance gives a star turn to Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today s practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal Love for Sale is a book

of critical history informed by its writer's own unique history as a besotted fan and lifelong student of pop *EBOOK: Principles and Practice of Marketing* JOBBER, DAVID/E, 2016-03-16 EBOOK Principles and Practice of Marketing

Billboard, 2010-10-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Towards a Digital Ecology Victoria Betton, 2022-02-27 Towards a Digital Health Ecology NHS Digital Adoption through the COVID 19 Looking Glass is about technology adoption in the UK's National Health Service NHS as told from the inflection point of a disaster In 2020 the world lived through a disaster of epic proportions devastating humanity around the globe It took a microscopic virus to wreak havoc on our healthcare system and force the adoption of technology in a way that had never been seen before This book tells the story of digital technology take up in the NHS through the lens of that disaster This book documents use of technology in the NHS through the lens of the first pandemic shock Our healthcare system paid for by general taxation and free at the point of demand was conceived and developed in a firmly analogue world Created in 1948 the NHS predates the invention of the World Wide Web by some forty years This is not a book simply about technology it is a study of the painful process of reengineering a mammoth and byzantine system that was built for a different era The digital health sector is a microcosm of the wider healthcare system through which grand themes of social inequality public trust private versus commercial interests values and beliefs are played out The sector is a clash of competing discourses the civic and doing good for society the market and wealth creation the industrial creating more efficient and effective systems the project expressed as innovation and experimentation lastly the notion of vitality and leading a happier healthy life Each of these discourses exists in a state of flux and tension with the other This book is offered as a critique of the role of digital technologies within healthcare It is an examination of competing interests approaches and ideologies It is a story of system complexity told through analysis and personal stories *Research Handbook on Global Capital Markets Law* Iris H.-Y. Chiu, Iain G. MacNeil, 2023-06-01 This Research Handbook is a one stop resource on global capital markets and the laws that regulate them Featuring contributions from leading global experts the Research Handbook delves into a range of issues including investment products such as equity finance sustainable finance fintech impact investing and private equity It also provides analysis on institutional and procedural issues such as large and small companies capital formation the roles of institutional shareholders and information providers and the practices and regulation of financial trading markets First Floor Volume 1 Shawn Reynaldo, 2023-08-31 First Floor started small At first it was just a newsletter an outlet where veteran electronic music journalist Shawn Reynaldo could write and share his ideas without having to contend with outside editors or cater to social media algorithms It was a blank canvas and Reynaldo began to fill it with his extended thoughts on not just electronic music but the culture and industry that surrounded it Just a few years later First Floor now stands as one of

electronic music's most influential platforms particularly as Reynaldo continues to put many of the genre's thorniest issues under the microscope First Floor Volume 1 collects his most thought provoking pieces and provides a nuanced wide ranging look at contemporary electronic music culture as it comes to grips with systemic challenges during a time of profound transformation Whether he's taking a hard look at the genre's futurist ethos questioning the practices of the modern music press or mapping out what motivates dance music's newest generation Reynaldo applies an undeniably critical lens but his words are informed by decades of experience a genuine passion for the subject matter and an open minded outlook toward whatever changes lie ahead
