Advertising** Everest Media, 2022-08-22T22:59:00Z Please note This is a companion version not the original book Sample
Book Insights 1 The 80 20 rule is everywhere Not absolutely everything but most things Shoes domains names Bible verses
trips to Vegas pearl necklaces consumption of dinner napkins and tubes of lipstick Rabbit populations streams rivers and
passengers on London's underground Tube trains 2 The 80 20 rule is not the exact number 80 20 that is the rule but the
principle of positive feedback which is when behavior is rewarded so that it produces more of the same behavior You can
easily assign dollar figures to all and instantly know which opportunities are worth pursuing and which ones waste your time
and money 3 80 20 says that if you have 10 rooms in your house you spend almost all your time in two or three of them It
says if you hire 10 salespeople two will generate 80 percent of the sales and the other eight will generate only 20 percent of

the sales 4 The concept of your greatest hits is to find the best performing ads and then 80 20 things further to improve what s already working By taking this approach you can 80 20 your way to finding the best performing ads and then 80 20 things further to improve them **Automatic Views** Aron Shoker,2023-03-26 If you re reading this it means you own a business and want to make more sales with social media However you might have problems creating content ideas getting more engagement getting more followers to go to your website booking a call with you or buying one of your products filming your videos or something in between Don t worry your problems will go away when you learn some of the best kept secrets in the industry This book has been ten years in the making Hi I m Aron Shoker I ve been video editing for 10 plus years and now work with six and seven figure clients But it wasn t always the case I was once like you stuck with social media I just didn t know how to make it work This situation changed when I invested thousands of dollars into getting mentors I ve also directly learned from the world s top 1% of marketers and video editors I shouldn t be sharing this as clients have paid me thousands to learn this but I m here to help you succeed In this book I will break down EXACTLY how to level up your social media accounts so you can turn them into a money making machine This book is entirely different to other books of its sort as they generally give information that you ve already heard a million times before that is generic and only provides the what to do not much on the how No wonder most books do not get the reader s results That will now change I will give step by step instructions in this book from sorting your social media accounts to making money But remember you will be learning knowledge only the top 1% of people worldwide know This knowledge has generated millions of dollars in revenue If you implement just 10% of what you learn I promise you you will see results Get a pen and paper ready and let s start [TikTok For Business](#) Raymond Wayne,2022-09-17 Are You Ready To Make Your Business Go Viral With TikTok It s About Time For You To Learn And Dominate TikTok Marketing For Business According to the information presented on the website BusinessOfApps com the number of active TikTok users topped 1 2 billion in the month of March 2022 Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close and 2022 began TikTok users spent a total of 2 3 billion in 2021 in the form of consumer spending on the platform One of the reasons for TikTok s appeal is the short video format which is quite popular particularly among younger people This format has gained a lot of traction in recent years Because TikTok today has more than 1 2 billion active users it is highly likely that you will be able to locate your target demographic on the network You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas A user is considered to be a micro influencer by TikTok if they have at least 10 000 followers and it is common for these individuals to have a sizable following in the region in which they reside However it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral Getting the marketing plan for your TikTok channel just right is not a simple feat On TikTok numerous companies have wasted their time and resources attempting to sell their brands products and services If

you want to get the most out of your efforts to promote your company on TikTok and to create videos for it you need to educate yourself on how to do so in the most effective manner You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach as well as the means by which you can amass a greater number of views and followers Here s where my advice for you comes in You will approach the promotion of your business on TikTok and the creation of videos in the right way to achieve the best results You will learn the benefits of adding TikTok to your online marketing strategy You will be able to gain more views and followers on TikTok You will learn proven techniques to get the best results from TikTok You will learn the TikTok marketing mistakes that you need to avoid Plus a whole lot more To make it easy I ve put together a step by step guide that will show you exactly how it s done **The Digital War** Winston Ma,2021-01-19 What new directions in China s digital economy mean for us all China is the largest homogenous digital market on Earth unified by language culture and mobile payments Not only a consumer market of unrivaled size it s also a vast and hyperactive innovation ecosystem for new technologies And as China s digital economy moves from a consumer focused phase to an enterprise oriented one Chinese companies are rushing to capitalize on ways the newer wave of tech the Internet of Things AI blockchain cloud computing and data analytics iABCD can unlock value for their businesses from non traditional angles In **The Digital War** Winston Ma investment professional capital markets attorney adjunct professor of digital economy and bestselling author details the profound global implications of this new direction including how Chinese apps for services such as food delivery expand so quickly they surpass their U S models within a couple of years and how the sheer scale and pace of Chinese innovation might lead to an AI arms race in which China and the U S vie aggressively for leadership How China s younger netizens participate in their evolving digital economy as consumers creators and entrepreneurs Why Online Office OMO Online merge with Offline integration is viewed as the natural next step on from the O2O Online to Offline model used in the rest of the world The ways in which traditional Chinese industries such as retail banking and insurance are innovating to stay in the game What emerging markets can learn from China as they leapfrog past the personal computer age altogether diving straight into the mobile first economy Anyone interested in what s next for Chinese digital powerhouses investors governments entrepreneurs international business players will find this an essential guide to what lies ahead as China s flexes new digital muscles to create new forms of value and challenge established tech giants across the world **Mapping the Evolution of Platform Society** Valentina Goglio,Cecilia Biancalana,2025-03-18 Our society is becoming inextricably intertwined with digital platforms **Mapping the Evolution of Platform Society** brings together a team of multidisciplinary scholars to investigate the intricate web of challenges and opportunities posed by the digital landscape **What's a Parent to Do?** Lawrence Baines,2022-05-06 Parenting can seem overwhelming Most parents want what is best for their children but few have the time energy or background knowledge to take a deep dive into an ocean of scientific studies every time a decision has to be made This book translates educational

research from Piaget to the latest neuroscience article into actionable strategies for parents The book is a guerilla guide in the sense that some recommendations may seem counterintuitive radical or contrary to popular practice However these strategies for home and school are supported by research and years of practical experience What s a Parent to Do is written for parents who want to know what to do what not to do and why
