reputation of wrongdoing the opportunistic convict is willing to provide the information GBI needs about the riot murder Only days ago another young woman was viciously murdered in a state park in northern Georgia Is it a fluke or could there be a serial killer on the loose As Will Trent digs into both crimes it becomes clear that he must solve the cold case in order to find the answer Yet nearly a decade has passed time for memories to fade witnesses to vanish evidence to disappear and lies to become truth But Will can't crack either mystery without the help of the one person he doesn't want involved his girlfriend and Jeffrey Tolliver's widow medical examiner Sara Linton When the past and present begin to collide Will realizes that everything he values is at stake
