iPhone X For Dummies Edward C. Baig, Bob LeVitus, 2018-01-18 Get the most out of your iPhone X Apple's iPhone X represents such a radical departure from all previous models of the globally known iPhone that it needs its own book to help users navigate the new features Luckily iPhone X For Dummies is here to provide the guidance you need to figure out the features of your new iPhone and the software that powers it Written by the experts who've created all previous editions of iPhone For Dummies this book takes a deep dive into this fabulous new phone and its unique controls It then delves into iOS 11 and how it works on the iPhone X It leaves no stone unturned and offers all the in depth coverage you need to make your iPhone X work for you right out of the box Control your iPhone X with iOS 11 gestures Explore advanced camera tools that produce stunning photos Set up face recognition to access your phone with a smile Charge your iPhone wirelessly If you've invested in this awesome new device you deserve to get the very most out of it And this book shows you how *The Very Last Word* Daniel O'Rourke, 2015-01-05 The Very Last Word is a collection of newspaper columns originally published in the Observer in Dunkirk New York This book is the third compilation of Daniel O'Rourke's columns Like the previous books it is a reader The sixty or so short chapters deal with life and death spirituality and materialism politics and prejudice This book is to be read gently Pick a chapter carefully Read it and reflect upon it This is not a novel to be read cover to cover it is spiritual reading Strategic Retail Management and Brand Management Doris Berger-Grabner, 2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications *The Punk Rock of Business* Jeremy Dale, 2018-09-25 Author Jeremy Dale believes that too many businesses create an environment that encourages mediocrity and corporate norms that deliver lukewarm results at best In The Punk Rock of Business Dale offers a road map away from average and towards innovation through a mindset rooted in punk rock principles In this fast paced actionable guidebook readers will find Eight punk rock principles to help you redefine your place in the corporate world for the better A set of characteristics to strive for that will liberate you and accelerate your success Countless examples drawing on both the classic stories from the music genre's

industry changing legacy and Dale's years of business success to illustrate these principles and characteristics in action. Straightforward lessons and actions to start taking today right now to break through corporate norms and build something greater. Punk rockers had a cause. They aimed for authenticity and refused to conform. In doing so they created a dramatic change that shook society to its core. It was a much needed wake up call for the conservative part of the music industry. Jeremy Dale wants you to do the same in the business world and in *The Punk Rock of Business* he gives you the tools you need to accomplish that goal.

Thanksgiving Melanie Kirkpatrick, 2021-10-05 We all know the story of Thanksgiving. Or do we? This uniquely American holiday has a rich and little known history beyond the famous feast of 1621. In *Thanksgiving*, award winning author Melanie Kirkpatrick journeys through four centuries of history giving us a vivid portrait of our nation's best loved holiday. Drawing on newspaper accounts, private correspondence, historical documents and cookbooks, *Thanksgiving* brings to life the full history of the holiday and what it has meant to generations of Americans. Many famous figures walk these pages: Washington who proclaimed our first Thanksgiving as a nation amid controversy about his Constitutional power to do so; Lincoln who wanted to heal a divided nation sick of war when he called for all Americans North and South to mark a Thanksgiving Day; FDR who set off a debate on state's rights when he changed the traditional date of Thanksgiving. Ordinary Americans also play key roles in the Thanksgiving story: the New England Indians who boycotted Thanksgiving as a Day of Mourning; Sarah Josepha Hale, the nineteenth century editor and feminist who successfully campaigned for Thanksgiving to be a national holiday; the 92nd Street Y in New York City which founded Giving Tuesday, an online charity established in the long tradition of Thanksgiving generosity. Kirkpatrick also examines the history of Thanksgiving football and of course Thanksgiving dinner. While the rites and rituals of the holiday have evolved over the centuries, its essence remains the same: family and friends feasting together in a spirit of gratitude to God, neighborliness and hospitality. Thanksgiving is America's oldest tradition. Kirkpatrick's enlightening exploration offers a fascinating look at the meaning of the holiday that we gather together to celebrate on the fourth Thursday of November.
