The Returns Philip Salom, 2019-08-01 Elizabeth posts a room for rent notice in Trevor's bookshop and is caught off guard when Trevor answers the ad himself. She expected a young student not a middle aged bookseller whose marriage has fallen apart. But Trevor is attracted to Elizabeth's house because of the empty shed in her backyard the perfect space for him to revive the artistic career he abandoned years earlier. The face blind EH Holden driving Elizabeth is a solitary and feisty book editor and she accepts him on probation. Miles Franklin finalist Philip Salom has a gift for depicting the inner states of his characters with empathy and insight. In this poignant yet upbeat novel the past keeps returning in the most unexpected ways. The authorities have declared him dead but is he? *The Returns* is a story about the eccentricities failings and small triumphs that humans are capable of a novel that pokes fun at literary and artistic pretensions while celebrating the expansiveness of art kindness and friendship.
