Trump wielded power due to his failed election attempt to stir up anger and resentment by his supporters to stop the electoral process and certify the presidential election results Instead of Republican and Democratic politicians working together to solve national issues they continue to waste time threatening one another The economic and sociological problems in this country are enormous Our roads and bridges require extensive repairs The effects of climate change are destroying thousands of acres by fire and flooding our cities towns farmlands and coastlines throughout America Covid 19 safety measures and continued research are necessary for the safety of all citizens Gun regulations and mental health issues of young people require our immediate attention State governments must restore women s abortion rights Sensible immigration laws need to be established and lack of labor force must be addressed Deadlock and procrastination by politicians only prolong the devastating effects on our society All Americans should practice due diligence to uncover the facts by researching multiple sources of information and listening to diverse opinions This book has numerous reference sources in the endnotes which readers can access to clarify the information I firmly believe that most Americans care deeply about the welfare of this country but are frustrated with the dysfunction in Washington loss of freedom and politicians pandering to their party supporters If we are to survive as a freedom loving nation leading the world in democracy tolerance and climate change issues to preserve the planet for future generations we will all have to do our part Expecting someone else to hold the gauntlet is absolving your responsibility
