Ginger Scott,2015-06-23 I m the selfish one I suppose that s the nicest thing people say about me I ve heard the other things too Paige Owens is a pretty girl with nothing else to offer She s just a good time at a party She s stupid heartless cold and useless All she cares about is getting a guy to look at her Why would anyone want to be her friend Some of those things are true Others were true They re all hurtful None of it matters I m ready to make the hard choices I m ready to face the consequences I m ready to be the girl I was before and I m done being the one who lost her way I m ready to become the girl Houston Orr sees when he looks at me Houston isn t a star athlete He doesn t play in a band He s never going to be president and his life is so far away from simple and easy it isn t even funny He wasn t part of my plan But I m starting to think plans are overrated and maybe our stories are what we make them And mine depends entirely on me and the choices I make starting now Houston is my fairytale He s perfectly imperfect He s poetry and life He s truth and heartbreak all rolled up in a tall body with dark hair broad shoulders and green eyes that lull me into submission He s nothing I ever thought I wanted but the very thing I need He s the only guy I ve ever really loved and he thinks I m a princess I fell into him and now I m holding on But sometimes life takes away our ability to choose Sometimes things aren t in your control Sometimes it hurts to be selfless My only hope is that when it comes time to choose I get it right Welcome to my once upon a time and wish for happily ever after *Memphis* Ginger Scott,2018-02-23 My mom always said it was just something about the way he moved The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went But make no mistake about it he was no angel He was like a drug My mother was his addict I never understood it how love could make you blind and convince you to drink the poison Not until I met Memphis Delaney At first it was the familiar form He s a fighter built like a god from the past the kind of man the universe doesn t make anymore His eyes hide a story

and every time I'm in his presence I want to keep reading him until I get to the end And then there's the way he moves His boxing is violent but beautiful and his body is a seductive weapon When he's in the ring he wears the stare of a man committed to the battle until his very last breath He could end me turn me into her Too much of him will leave me as a shadow and I've lost so much of myself already But I have discipline It came the hard way Lessons learned scars left behind and trust stripped away from life I will breathe his air but I won't fall for a man like him The only boxer who's ever going to break my heart is the one who gave me my name How We Deal With Gravity Ginger Scott, 1901 When her son Max was diagnosed with autism Avery Abbot's life changed forever Her husband left and her own dreams became a distant fantasy always second to fighting never ending battles to make sure Max was given opportunity love and respect Finding someone to fight along her side wasn't even on her list and she'd come to terms with the fact that she could never be her own priority again But a familiar face walking into her life in the form of 25 year old Mason Street had Avery's heart waging a war within Mason was a failure When he left his hometown five years ago he was never coming back it was only a matter of time before his records hit the billboard charts Women booze and rock n roll that was it for him But it seemed fate had a different plan in mind and with a dropped record contract little money and nowhere to go Mason turned to the only family that ever made him feel home the Abbots Avery loved Mason silently for years until he broke her heart completely But time and life have a funny way of changing people and sometimes second chances are there for a reason Could this one save them both *The Harper Boys Duet* Ginger Scott, 2020-11-11 You know what they say about those Harper boys they're wild You can now read the award winning Harper Boys duet in a box set Book 1 Wild Reckless Kensington Worth had a vision for her senior year It involved her best friends her posh private school in downtown Chicago and time alone with her piano until her audition was perfected a guaranteed ticket into the best music programs in the world Instead a nightmare took over It didn't happen all at once but her life unraveled quickly a tiny thread that evil somehow kept pulling until everything precious was taken from her She was suddenly living miles away from her old life trapped in an existence she didn't choose one determined to destroy her from the inside leaving only hate and anger behind It didn't help that her neighbor the one whose eyes held danger was enjoying every second of her fall Owen Harper was trouble his heart wild and his past the kind that's spoken about in whispers And somehow his path was always intertwined with Kensington's every interaction crushing her ruining her hope for any future better than her now Sometimes though what everyone warns is trouble is exactly what the heart needs Owen Harper was consumed with darkness and it held onto his soul for years When Kensington looked at him she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life But the more she looked the more she saw other things too good things things to admire Things to love Things that made her want to be reckless And those things they were the scariest of all Book 2 Wicked Restless Andrew Harper grew up in a house marked by tragedy His older brother Owen did his best to shelter him but you can only be protected from life's pain for so long Eventually you end up just feeling

numb and isolated Loneliness was the one constant in Andrew's life Until one girl met by chance in a high school hallway changed everything Emma Burke was a mystery and all that was beautiful in this world the only air Andrew ever wanted to breathe She took the lonely away and filled it with hope and color and Andrew would do anything to keep her safe happy and whole But sometimes what feels good and right is what ends up hurting us the most And when Andrew and Emma are faced with an impossible decision Andrew is tested to see just how far he's willing to go for the girl who owns his heart Cuts are deep Scars are left behind And revenge beckons When Andrew finally gets his chance in college five years after his first love broke him completely he finds out old feelings don't really disappear just because you say you hate someone The more he tries to avenge all that he believes he lost the more he uncovers the real story of what happened years before Love is wicked But a restless heart is never satisfied beating on its own Can Andrew and Emma make it right before it's too late or will the ties that bind them now destroy their only chance at a future

Hold My Breath Ginger Scott, 2016-11-18 Fractions of seconds can do lots of damage One decision can ruin lives A blink can be tragic And loving a Hollister can hurt like hell I would know They say the average person can hold their breath under water for two full minutes when pushed to the extremes Will Hollister has been holding his for years The oldest of two elite swimming brothers Will was always a dominant force in the water But in life he preferred to let his younger brother Evan be the one to shine Evan got the girl and Will he got to bury all of the secrets A brother's burden the weight of it all nearly left him to drown The daughter of two Olympians my path was set the day my fingertips first touched water My future was as crystal clear as the lane I dominated in the pool swim hard win big love a Hollister My life with Evan burned bright He gave me arms to come home to and a smile that fooled the world into believing everything was perfect But it was Will who pushed me Will who really knew me And when all of the pieces fell it was Will who started to pick them up In the end the only thing that matters are those few precious seconds and what we decide to do while we still have them in our grasp

Nolan is afraid too She's seen what can happen when the love of her life pushes himself too hard and she can't escape the nightmares she relives after almost losing her entire world to one single play on the field There is no compromise when it comes to football Same goes for the heart You're either all in or you get crushed For Reed and Nolan the clock is ticking down Time it does that One way or another they're going to have to make a choice This is their Hail Mary This is win or lose The Hail Mary is book 3 in The Waiting Series which follows high school sweethearts Reed Johnson and Nolan Lennox through football life love and everything messy that goes along with it The series begins with Waiting on the Sidelines and Going Long
