Transforming Banking Infrastructure Services with Artificial Intelligence, Machine Learning, and Agentic AI: Modernizing Financial Systems in the Age of Automation Bharath Somu, [Human versus Machine: Accounting, Auditing and Education in the Era of Artificial Intelligence](#) Joanna Dyczkowska, 2024-09-19

The present book provides a critical reflection on the state and perspectives of the accountancy and auditors profession, addresses the AI technology's supportive role in accounting and auditing tasks, reporting processes, and reports attestation, as well as stresses the necessity to modify educational curriculums in business accounting in response to changing circumstances and set the regulatory frameworks regarding the use of generative AI by academics and students. The considerations covered in the book are timely and can be helpful for business practitioners, academics, and students. Moreover, the international context of the publication, reference to the latest literature on AI applications in business accounting, and presented research study can make this work valuable for all those interested in the opportunities and threats that AI may bring into the professional lives of many.

Strategic Business Influencer Paige Velasquez Budde, 2025-11-25

Don't just follow trends; become a leader who shapes them. As traditional marketing tactics continue to falter in today's business landscape, simply amassing followers and leading with a corporate logo is no longer enough. This essential guide offers a new seven-step approach to brand building and provides the tools for any leader to compete with giants by showing them how to amplify what most already do best: teaching and relationship building as a way to build trust in a way corporations cannot. Strategic Business Influencers may not be as famous as the mainstream celebrities the word "influencer" usually evokes, but they are converting the intangible benefits of influence into significant impact on their revenue and profits. In an increasingly skeptical environment, these leaders build trust and credibility previously reserved for big-name CEOs and target precisely the right audience to build strong, scalable relationships with their customers, investors, employees, and partners.

Zilker Media CEO Paige Velasquez Budde, a veteran

marketer entrepreneur and speaker walks leaders through her seven step process for aspiring Strategic Business Influencers offering them a powerful unified strategy to build big brands even with small budgets Entrepreneurs corporate leaders and aspiring business owners alike will gain the tools to transform their professional image discovering how to Reinvent their brand by creating a compelling Influencer ID and evaluating their current market image to ensure they stand out Enhance their relationship management by developing high touch relationships with customers and stakeholders to convert them into loyal advocates Leverage today s digital tools by mastering the art of generating buzz through PR and content creation using the many free or low cost tools now available Drawing on case studies from diverse industries from regional banking to subfloor manufacturing women s undergarments to tech software development becoming a Strategic Business Influencer builds undeniable leverage for a brand no matter the industry or business size
