office beyond a rigid 9 5 schedule which can lead to Gen Y employees working even more hours than you expected Leaving a job after a couple years isn t an inability to commit it s a need to learn more expand their experience and develop their career at a faster pace which is helpful to companies that hire those individuals including your own Elevating nontraditional benefits over financial benefits is a step toward creating an emotional connection to the company where employees spend most of their time and invest mental and emotional efforts The need to work for a company with a purpose reflects the power that social media has on the social consciousness Next Generation Leadership will explore what s behind these shifts in the character of the emerging workforce It shows that as Gen Y assumes managerial positions the nature of leadership and business will change over the next few decades in irrevocable and profound ways *A Long Way Home* Saroo

Anatomy of an Episcopal Dressing Down and Clericalism. A Prince of the Catholic Church and an Ecclesial Irritant Tarcisius Mukuka,2020-11-05 Polemic Paper from the year 2020 in the subject Theology Practical Theology grade 1 0 Kwame Nkrumah University course Pastoral Theology language English abstract This article aims at presenting a theological difference of opinion between a bishop and a lay theologian brought about by the recent alleged papal endorsement of same sex unions presented in a new documentary Francesco The surprising thing was that while the lay person was on the side of the Pope and arguing that there was no change in the perennial teaching of the Church he ended up at the receiving end of an episcopal dressing down for misleading those differently abled intellectuals who may not be as highly gifted than he was The author argues that the real issue was clericalism and as long as he wore the ID ex priest he had lost his place at the theological high table The episcopal dressing down was a rude reminder that clericalism was alive and well and keeping the Catholic Church in the Stone Age In his default position he would have told the bishop to get on his bike but thanked him for clearing the air where he stood in the
