Digital Social Reading Federico Piazola, 2025-01-21 How digital social reading apps are powerfully changing and nurturing the way we read Conventional wisdom would have us believe that digital technology is a threat to reading but in Digital Social Reading Federico Piazola argues that reading socially through digital media can help people grow a passion for reading and in some cases even enhance text comprehension Digital social reading DSR is a term that encompasses a wide variety of practices related to the activity of reading and using digital technologies and platforms websites social media mobile apps to share thoughts and impressions about books with others This book is the first systematization of DSR practices drawing on case studies from Wattpad AO3 and Goodreads on a worldwide scale Using a combination of qualitative and computational methods Piazola offers fresh insight into the reading experience on the scale of big data He discusses the impact of digital technology on reading skills and shows that a change of methodological perspective is necessary to understand the positive potential of DSR for promoting reading more broadly He argues that it is not just the medium that changes but also the context and the attitudes of readers He also asserts that grassroots media and open bottom up communities are crucial to the success of many reading practices today especially with young audiences

Women, Violence and Postmillennial Romance Fiction Emma Roche, 2023-04-21 This book interrogates the significance of the revival and reformulation of the romance genre in the postmillennial period Emma Roche examines how six popular novels published between 2005 and 2015 *Twilight* *Fifty Shades of Grey* *Gone Girl* *Sharp Objects* and *The Girl on the Train* reanimate and modify recognisable tropes from the romance genre to reflect a neoliberal and postfeminist cultural climate As such Roche argues these novels function as crucial spaces for interrogating and challenging those contemporary gender ideologies Throughout the book Roche addresses and critiques several key attributes of neoliberal postfeminism including a pervasive emphasis on individualism and personal responsibility an insistent requirement for self monitoring self surveillance and bodywork the celebration of consumerism and its associated pleasures the prescription of mandatory optimism and suppressing one's negative emotions and the endorsement of choice as a primary marker of women's empowerment While much critical attention has been devoted to those attributes and their pernicious effects Roche argues that one crucial repercussion has been largely overlooked in contemporary cultural criticism how these ideologies function together to effectively sanction gender based violence Thus Roche exploits textual analysis to demonstrate the subtle ways in which neoliberal postfeminism can augment women's vulnerability to male violence

Tucked Away Jennie Marts, 2015-04-28 Charlie Ryan's cheating fiancé left her with a broken heart and an even more broke bank account She's hit rock bottom but everything is about to change Suddenly she's inherited a Montana farm named Tucked Away from a grandmother she never knew existed A fresh start is just what she needs Only this time she's going to make sure there's no guy involved even if the local vet is as hot as summer in Montana Zack Cooper is content with his simple life Running his veterinary practice and

raising his daughter are enough to keep him busy and he doesn't need a high maintenance city girl who plans to sell her grandma's ranch and split faster than a setting sun. So why can't he stop thinking about Charlie and her hot pink cowboy boots or the way her eyes sparkle even as she teases him with plans of leaving. Just when both start to believe love might be worth the risk, one night will change everything. Each book in the Hearts of Montana series is **STANDALONE**. Tucked Away Hidden Away Stolen Away

Reading Amplified Lee Ann Spillane, 2015-03-31 In Reading Amplified Digital Tools That Engage Students in Words Books and Ideas you can look over Lee Ann's shoulder at her computer screen or into her classroom as she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software. Spillane seeks to take the tedium out of routine tasks we need to teach. By now we've all seen examples of Wordle, the technology app that converts chunks of text into a word cloud featuring words of different sizes according to their prevalence in the text. But you haven't seen the real power of Wordle until you've seen Lee Ann Spillane's high school students use it to analyze patterns and symbolism in *The Great Gatsby*. In Reading Amplified Digital Tools That Engage Students in Words Books and Ideas you can look over Lee Ann's shoulder at her computer screen or into her classroom as she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software. Spillane seeks to take the tedium out of routine tasks we need to teach. Her instruction is infused with technology that energizes students, but her focus is always on deep learning that motivates them to become passionate and independent readers. It's about the teaching, not the tool. She reminds us, "I do a lot of learning right beside my students."

Blame the Moonlight Donna MacMeans, 2017-12-18 Movie makeup artist Chelsea Davenport turns invisible in moonlight. She can't help it; she just fades to nothing. A recent Hollywood ghost sighting spooks her into joining a movie crew bound for Massachusetts. Rather than escaping her problems, she lands in a cauldron of new difficulties triggered by a full moon and a chance encounter with her old high school boyfriend who is now a gossip journalist. She needs a safe harbor, but can she trust the sanctuary of his arms? Brandon Parker needs a big story to break him out of the doghouse with his news editor. The discovery of a never-forgotten girlfriend with amazing abilities could be the answer to his problems. Will he rekindle that flame, or will she become front-page news? This is a short story in the Bound By series. It's set in conjunction with a Halloween celebration. I hope you enjoy it.

Hidden Away Jennie Marts, 2015-11-16 Right after a fire breaks out in her diner, a phone call changes Cherry Hill's life. The tragic death of her cousin leaves Cherry sole guardian of her eight-year-old nephew. But the upper crust side of the Hill family deems her unfit and is determined to take Sam away from her. The only one on her side is the sexy sheriff Taylor Johnson, the man who broke her heart nine years ago when he left town. Taylor Johnson has sworn to protect the citizens of Broken Falls, but should that extend to a fake engagement to the woman who captured his heart so long ago? It doesn't take long for his pretend feelings to turn real for both Cherry and her adorable nephew Sam. But Cherry's been hiding a secret from Taylor that could rip this new family apart.
