Planning Support Systems Best Practice and New Methods Stan Geertman, John Stillwell, 2009-05-01 Planning Support Systems Retrospect and Prospect It has been nearly twenty years since the term planning support systems PSS first appeared in an article by Britton Harris Harris 1989 and more than ten years since the concept was more broadly introduced in the academic literature Harris and Batty 1993 Batty 1995 Klosterman 1997 As a result the publication of a new book on PSS provides an excellent opportunity to assess past progress in the field and speculate on future developments PSS have clearly become very popular in the academic world This is the fourth edited

book devoted to the topic following Brail and Klosterman 2001 Geertman and Stillwell 2003 and a third by Brail 2008 Papers devoted to PSS have been published in the leading planning journals and the topic has become a regular theme at academic conferences around the world it has even spawned intellectual offspring such as spatial planning and decision support systems SPSS and public participation planning support systems PPSS However as Geertman and Stillwell point out in their introductory chapter the experience with PSS in the world of professional practice has been disappointing A substantial number of PSS have been developed but most of them are academic prototypes or one off professional applications that have not been adopted elsewhere
