Overman, 2008-11-30 Despite some enormous differences in salary among professional athletes most aspects of their daily lives remain surprisingly constant across sports and income levels In Living out of Bounds author Steven J Overman mines a wide array of sports biographies autobiographies memoirs and diaries to construct a representative picture of the athlete s life In the course of the work a portrait emerges that transcends the individual lives lived The shared experiences of devoted training of travel and hotels and of tension within and beyond the clubhouse or gym force us to appreciate the often oppressive reality of the sporting life at the same time that the individual lives lived also provide us with a glimpse of the rewards that make sports so compelling to audiences and athletes across America **We Were the All-American Girls** Jim Sargent, 2013-04-26 Here are 42 interviews with women who competed in the All American Girls Professional Baseball League Each interview features data about the player a short summary of her athletic career and the player s recollections A brief history covers the many changes as the league evolved from underhand pitching with a 12 inch circumference ball in 1943 to overhand pitching adopted in 1948 through the circuit s final year 1954 when a regulation baseball was introduced The interviews range from 1995 to 2012 and reveal details of particular games highlights of individual careers the camaraderie of teammates opponents and fans and the impact
