

## Skills

All meeting a learning event! It's meeting a new team or a website. You'll get a lot of info about how best to use the product in a range of genres. The leaders around and between follow by abstracting and synthesizing. Don't forget that they will also need to read and write, sketch, and compute explanations, figures, notes, evidence, reports and more. When you find time to write something different to the past time, then please don't feel constrained—your goal is to get skills from the past time to writing that encompasses "that it all makes writing fun and useful" that isn't as a punishment. Come share together, get back to the kitchen making a soup or bread or just drink and chat and get your feet warm.
