Breakpoint Jeremy B. C.

Jackson, Steve Chapple, 2018-04-17 An insightful look at the American environmental crisis and emerging solutions from the heartland to the coasts in the era of global climate change Eminent ecologist Jeremy B C Jackson and award winning journalist Steve Chapple traveled the length of the Mississippi River interviewing farmers fishermen scientists and policymakers to better understand the mounting environmental problems ravaging the United States Along their journey which quickly expands to California Florida and New York the pair uncovered surprising and profound connections between ecological systems and environmental crises across the country Artfully weaving together independent research and engaging storytelling Jackson and Chapple examine the looming threats from recent hurricanes and fires industrial agriculture river mismanagement extreme weather events drought and rising sea levels that are pushing the country toward the breaking point of ecological and economic collapse Yet despite these challenges the authors provide optimistic and practical solutions for addressing these multidimensional issues to achieve greater environmental stability human well being and future economic prosperity With a passionate call to action they look hopefully toward emerging and achievable solutions to preserve the country's future **Clashing Vulnerabilities, Disability and Conflict** Don Kulick, Simo

Vehmas, 2025-11-10 This book is about how we might think about vulnerability what it is and how it operates by looking at cases where different kinds of vulnerabilities clash Disability is often portrayed as a vulnerability in itself and disabled people are often labelled a prototypical vulnerable group This book disassembles that label by highlighting how vulnerabilities involving people with disabilities emerge and how they often conflict with other vulnerabilities the vulnerabilities of disabled students vs the vulnerabilities of under educated and harassed teachers for example Or the struggles for legitimacy that pit neuro divergent groups against people with chronic illnesses one casting doubt on the validity of the other Or the different uses of curb cuts for people in wheelchairs and people with visual impairments uses which sometimes clash Clashes like these illustrate the role that conflict plays in defining vulnerability and they lead us to think about how we might try to adjudicate between different claims of what can count as a vulnerability Providing new insight into power and non power ideology socioeconomic structures and the vicissitudes of disability as both a subject position and a lived experience this book will be of interest to scholars and students of disability studies anthropology and sociology policy and philosophy

Transatlantic Television Drama Matt Hills, Michele Hilmes, Roberta E. Pearson, 2019 In 2014 the UK science fiction television series Black Mirror was released on Netflix worldwide quickly becoming a hit with US audiences Like other beloved British imports this series piqued Americans interest with hints of dark comedy clever plotlines and six episode seasons that left audiences frantic for more In Transatlantic Television Drama volume editors Michele Hilmes Matt Hills and Roberta Pearson team up with leading scholars in TV studies and transnational television to look at how serial dramas like Black Mirror captivate US audiences and what this reveals about the ways Americans and Brits relate to each other on and off the screen Focusing on production strategies performance styles and audience reception chapters delve into some of the

most widely discussed programs on the transatlantic circuit from ongoing series like Game of Thrones Downton Abbey Orphan Black and Sherlock to those with long histories of transnational circulation like Masterpiece and Doctor Who to others whose transnational success speaks to the process of exchange adaptation and cooperation such as Rome Parade s End Broadchurch and Gracepoint The book s first section investigates the platforms that support British American exchange from distribution partnerships and satellite providers to streaming services The second section concentrates on the shift in meaning across cultural contexts such as invocations of heritage genre shifts in adaptation performance styles and in the case of Episodes actual dramatized depiction of the process of transatlantic television production In section three attention turns to contexts of audience reception ranging from fan conventions and fiction to television criticism the effects of national branding on audiences and the role of social media in de or re contextualizing fans response to transnational programs
