Black Friday Best Returns:

Return to the Big Fancy Freeman Hall, 2012-09-18 Bigger Fancier and more cutthroat than ever When Freeman Hall left The Big Fancy to pursue his screenwriting dreams he thought the horrors of working in a handbag department were finally over But instead of fame and fortune he found himself stuck behind a wall of script killing rewrites unable to make a living In Return to the Big Fancy Freeman shares his wildly entertaining journey back through the fiery gates of Retail Hell He thought he had seen it all in his day but with the bar set higher than ever before employees are now graciously bowing before Corporate as they climb over fellow salespeople and even friends to earn enough transactions and commissions to actually survive As he learns more of the wretchedness that has befallen the sales floor he realizes that The Big Fancy has its customers and its employees on a short leash But leave it to Freeman and the threat of disappearing commissions to rally the retail slaves and show Corporate who's really in charge *When Sons Return Home* John B.
