Waking the Sleeping Giant Timothy Daughtry, Gary Casselman, 2012-03-01 Mainstream America has for too long been the sleeping giant of American politics As mainstream Americans we mind our own business take care of our own responsibilities and play by the rules We know that there is no quick path to personal success or to national prosperity But the ruling class has come to see the mainstream as largely irrelevant as a political force when we are the backbone that supports the body politic We work pay our taxes and vote Then we go back to work and hope that those in power will do the right thing We have trusted the dogs of the political class to guard our lunch and they have eaten it Something needs to change Before we can equip the sleeping giant for the struggle ahead of us however we need to wake that sleeping giant Waking the Sleeping Giant exposes liberal techniques and teaches mainstream Americans how to counter them to take back the country that our forebears made great and to make it great again Alliance for Progress Weekly Newsletter ,1963
