Did you isolate yourself due to humiliation? Whatever your reaction, your emotions most likely determined what you said or did next. But the way we handle our emotions is not as many believe an involuntary part of ourselves; it is a skill that must be taught and refined throughout our lives. And there's no such thing as a bad emotion; only the emotions we don't fully understand or haven't yet learned to channel in positive, intentional ways. In *Dealing with Feeling*, Marc Brackett shares his own journey of emotional growth, explores the latest science behind our emotions, and offers practical techniques to help you nurture healthy relationships, tackle life's challenges, and enhance your mental wellbeing.
