National Basketball Association Franchises Frank P. Jozsa Jr.,2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large midsize or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

From Hang Time to Prime Time Pete Croatto,2020-12-01 Perfect for fans of Moneyball and The Book of Basketball this vivid thoroughly entertaining and well researched book explores the NBA's surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution Far beyond simply being a sports league the NBA has become an entertainment and pop culture juggernaut From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television film fashion lines and more there is an inseparable line between sports and entertainment But only four decades ago this would have been unthinkable Featuring writing that leaps off the page with energy and wit journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976 revolutionizing the NBA's image He pays homage to legendary talents including Julius Dr J Erving Magic Johnson and Michael Jordan and reveals how two polar opposite rookies Larry Bird and Magic Johnson led game attendance to skyrocket and racial lines to dissolve Croatto also dives into CBS's personality driven coverage of key players as well as other cable television efforts which launched NBA players into unprecedented celebrity status Essential reading whether you're a casual or longtime fan From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history

National Basketball Association Strategies Frank P. Jozsa Jr.,2014-10-01 This Brief identifies and contrasts the groups of National Basketball Association NBA expansion franchises and of any teams that relocated from one metropolitan area or city to another from 1950 to 2013 It discusses historical differences and similarities in the teams markets and performances and then as members of divisions and conferences It measures and compares the emergence development and success of the teams by analyzing demographic economic and sport specific data It also discusses the respective mergers of the Basketball Association of America and National Basketball League in 1949 and the American Basketball Association and National Basketball

Sport Business Analytics C. Keith Harrison, Scott Bukstein, 2016-11-18 Developing and implementing a systematic analytics strategy can result in a sustainable competitive advantage within the sport business industry. This timely and relevant book provides practical strategies to collect data and then convert that data into meaningful, value-added information and actionable insights. Its primary objective is to help sport business organizations utilize data-driven decision making to generate optimal revenue from such areas as ticket sales and corporate partnerships. To that end, the book includes in-depth case studies from such leading sports organizations as the Orlando Magic, Tampa Bay Buccaneers, Duke University, and the Aspire Group. The core purpose of sport business analytics is to convert raw data into information that enables sport business professionals to make strategic business decisions that result in improved company financial performance and a measurable and sustainable competitive advantage. Readers will learn about the role of big data and analytics in ticket pricing, season ticket member retention, fan engagement, sponsorship valuation, customer relationship management, digital marketing, market research, data visualization. This book examines changes in the ticketing marketplace and spotlights innovative ticketing strategies used in various sport organizations. It shows how to engage fans with social media and digital analytics, presents techniques to analyze engagement and marketing strategies, and explains how to utilize analytics to leverage fan engagement to enhance revenue for sport organizations. Filled with insightful case studies, this book benefits both sports business professionals and students. The concluding chapter on teaching sport analytics further enhances its value to academics.
